Re: NATIONAL RENAISSANCE PARTY  
CHARACTERIZATION OF SUBVERSIVE ORGANIZATION  
RACIAL MATTERS

On April 16, 1970, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director, and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, Apartment 8, New York City, New York, where weekly meetings, usually on Sundays, are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 16, 1970, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

The source utilized is [redacted] who has furnished reliable information in the past.

On 9/17/70 [REDACTED] (prob), reliable in the past, advised that he appeared in Criminal Court, Part 1D, 100 Centre Street on 9/16/70, in connection with his case against [REDACTED] (docket a 10991). He stated that no one from the NRP showed up for the hearing. There were three members from the Jewish Defense League (JDL). [REDACTED] attorney failed to show up for the hearing. The judge instructed [REDACTED] to contact his attorney and determine why he had failed to show up for the hearing. The judge asked the name of the attorney and requested that he contact the attorney and have him in court by 2 p.m. that day. When the attorney failed to show up for the hearing, the judge inquired of [REDACTED] if his attorney was a private lawyer. [REDACTED] indicated that he was. The judge then asked how much the attorney was charging [REDACTED] indicated that the attorney was free. The judge then stated you're getting everything for free. The source advised that while before the bench, he informed the judge that he had received several telephone calls harrasing him after he had [REDACTED] arrested. [REDACTED] denied to the judge that he was responsible for any of the telephone calls. The judge then admonished [REDACTED] to be certain that none of [REDACTED] friends were responsible for harrasing [REDACTED]. After leaving the courtroom, [REDACTED] and [REDACTED] got on to an elevator. [REDACTED] and an unknown friend of [REDACTED] got on to the same elevator, prior to reaching the ground floor to get off the elevator [REDACTED] pushed and cursed [REDACTED] and [REDACTED] then went back to court and told the DA who, in turn, advised the judge. MARYLAND STATE POLICE

NATIONAL RENAISSANCE PARTY

September 1970.

"I die with a happy heart aware of the immeasurable deeds of our soldiers at the front. From the sacrifice of our soldiers and from my own unity with them unto death, will spring up in the history of Germany the seed of a radiant renaissance of the National Socialist movement and thus of the realization of a true community of nations".

Those were reportedly the last words of Adolf Hitler just before he committed suicide and from them came the title of the National Renaissance Party which exists today.

Founded by James H. MADOLE in January of 1949, the organization has continued to exist in New York City for some 21 years.

MADOLE who was 22 years of age at the time was described in the Sunday Compass Magazine section of that New York paper; dated November 20, 1949; by reporter Harry Henderson as a "thin anemic-looking boy who suffers from chronic asthma and cannot stand too much excitement". He lived with his mother at 222 E. Main Street, Beacon, N. Y. (population 12,000 in 1949). MADOLE'S father was French and separated from his mother when he was quite young. His mother worked as a clerk for an insurance company and passed her rabid anti-jewish hatred on to her son. After graduation from high school he worked for a textile firm until he was fired by his jewish employer when they learned of his anti-jewish activities. MADOLE then devoted his full time to his belief in animism, the Webster dictionary definition of which is "a doctrine that the soul is the vital principle of organic development", "attribution of conscious life to nature or natural objects", "belief in the existence of spirits separable from bodies". MADOLE'S definition was a philosophy based on "values of individual personality, private enterprise and government by the intellectual elite".

He attacked democracy as "rule by the ignorant mass", and rejected the "liberal democratic line", which he called "the general idea of breaking down all forms of racial pride and the general idea of mongrelization of the races".

Aligning himself with other pro-fascist nationalist leaders who were interested in consolidating their scattered forces, MADOLE formed in 1948 the Animist Party and witnessed its demise April of 1949. Then choosing his title from the Fuehrer's last words he founded the National Renaissance Party which exists today.

The party began publication of a four page monthly periodical entitled the National Renaissance Bulletin and billed it as "the only Facist publication in America". In the "Bulletin" dated May 1953 MADOLE boasts that, "What Hitler accomplished in Europe, the National Renaissance Party shall yet accomplish in America!!".

In the spring of 1954 MADOLE took up residence at [redacted] Street, New York City and announced the new National

as Box 238, 208 East 86th Street, New York City, New York.

This was also the address of Le Blanc Publishers with a different box number (155) which printed some of the NRP's literature under that name.

One member listed as the [redacted] of NRP [redacted] gave his address as [redacted]

b6  
b7C

In May 1954 the NRP listed their address as Box 137, Planetarium Station, New York City, New York.

A later address given for Le Blanc Publications was Box 155, 215 East 86th Street, New York City, New York.

Address given on a NRP Rally sheet of August 5, 1966 was: Box 10, 127 West 83rd Street, New York City, 24, New York.

MADOLE surrounded himself with a Nazi style "Elite Guard" who adopted the uniform of Hitlers guard of the same name with the lightning bolt replacing the swastika. Taking an oath of unconditional obedience to the NRP leaders their slogan was "One Race - One Nation - One Leader".

The NRP then began a series of rallies and counter demonstrations which more often than not led to some form of violent confrontation, as follows:

MAY, 1949: The NAP disrupted the concert of CP member PAUL ROBESON at Peekskill, New York and sparked a riot at that location resulting in a number of injuries.

APRIL 1952: A mass outdoor rally held on York Avenue in New York City was disrupted by a group of Jewish War Veterans and resulted in violence.

During 1952 the NRP claimed 22 successful Rallies and boasted attendance of 70 to 200 people.

MAY 2, 1953: Loew's Theatre syndicate in NYC cancelled the NRP use of their hall at 169 E. 86th Street, NYC and forced them to hold a street rally.

For the next ten years there is no record of a major confrontation.

MAY 26, 1963: The National Renaissance Party held a rally at 86th street and first Avenue in the Yorkville section of Manhattan, N.Y. (This was the site of the German-American bund rallies held prior to World War II.) When the leader of the Jewish War Veterans announced he was going to make a citizens arrest and approached the speakers rostrum, a riot ensued involving some 4000 people and police. Among those arrested at the time was one LOUIS MOSTACCIO 34yrs. of the ELITE GUARD charged with striking a N.Y.C. detective with a flagstaff. For this offense MOSTACCIO received a jail sentence of five days.

The party's biggest confrontation with the law came in July of that same year.

JULY 15, 1963: Seven party members were arrested and charged with plotting riots at the White Castle hamburger stands in the Bronx N.Y. Their vehicles were searched and the following cache of arms seized:

Rifles - Shotguns - Revolvers - thousands of rounds of ammunition - Cross Bows - Nitric Acid - Machettes and Bayonets.

Arrested were:

JAMES MADOLE - 36 yrs. - 10 W. 90th Street N.Y., N.Y.

PAUL JOACHIM - 35 yrs. - 10 Downing Street N.Y., N.Y.

b6  
b7C

DANIEL BURROS- 26 yrs. - 152 W. 42nd Street, N.Y., N.Y.

All were released on bond of between \$2500 and \$7500.

In August of 1963 all of the above plus one other not named, were indicted by Grand Jury for Advocating Criminal Anarchy, Attempting to Riot, and Violation of the Sullivan law.

In April of 1964 the charges of Criminal Anarchy were dropped but the subjects were tried on the other charges. Disposition is not known at this time.

Regarding the program and propaganda of the National Renaissance Party, I quote from a preliminary report by the House Un-American Activities Committee; "The program and propaganda of the National Renaissance Party is virtually borrowed wholesale from the Fascist and Nazi dictators. Its nine point program advocates abolition of parliamentary government in the United States in favor of government by a "trained elite"; establishment of a Fascist corporate economy; encouragement of "racial" pride; preservation of the "white Aryan" race by gradual deportation of the "Porto(sic) Ricans, Negroes, Jews and Asiatics"; and the denial to Jewish people of citizenship, professional and political posts, and the right of "intermarriage". Unquote.

NOTE: Copy of the actual nine point program as distributed by NRP is attached. Chief source of propaganda for the NRP is or was FREDERICK CHARLES F. WEISS of Middletown, N.Y. who is portrayed as a graduate of the University of Heidelberg and the Sorbonne. The NRP has also circulated literature received from EINAR ABERG of Norrviken, Sweden. In his bulletin of April 1949, Madole advised that the official organ of the NRP would be GUNDE MCGINLEY'S hate sheet "Common Sense".

- 4 -

In June of 1949 the NRP demonstrated at a Communist Cultural Rally held at the Waldorf Astoria in New York and members of the NRP and representatives or distributors of "Common Sense" joined forces and distributed over 10,000 pieces of literature.

In July of 1949 the NRP announced the opening of an Educational and Information center in N.Y.C. One [redacted] [redacted] was placed in charge.

In December 1953 the party's Bulletin stated that an NRP branch was being formed in Pennsylvania under the direction of [redacted] and [redacted] and that another branch was being created in New Jersey by Lawrence Sestito.

The close relationship and/or inter-relationship between the NRP and other right wing extremists groups should be noted here. Probably the most prominent individual to don the garb of first one and then the other hate group is [redacted]. He was initially [redacted] along with [redacted]. Leaving NRP he became [redacted] for the National States Rights Party. He then joined with Lincoln Rockwell and became [redacted] of the American Nazi Party in Chicago. Later after Rockwell's demise he became [redacted] and holds that position today.

N.S.R.P. Regional Director in New York, JOHN LUNDOFF was a former NRP Storm Trooper.

Dr. EDWARD FIELDS, founder and current head of the N.S.R.P. was once the supervisor of the "REAL POLITICAL INSTITUTE OF CHICAGO", described as a United Nazi Front.

DANIEL BURROS, once a member of the NRP (see pp #3 this report) committed suicide in Reading, Pa. while a King Kleagle of the United Klans of America KKK under Grand Dragon Roy Frankhouser. He was also listed in the New York Times of November 3, 1965 as being a member of the American Nazi Party.

LOUIS MOSTACCIO, Lieutenant in the NRP (see pp #2 this report) was photographed in Prince George's County, Md. in 1966 at a rally of the Inter-State Klan wearing, along with other members, the uniform of the American Nazi Party. Later in October 1969 he appeared in P.G. Co. at a rally of the Aryan Klan with MADOLE again wearing the NRP uniform.

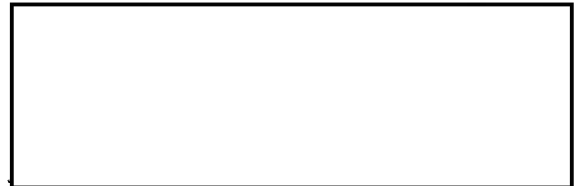

In December of 1966 Madole was tried and found guilty of two counts of soliciting funds without a license in New York. He was fined \$250.00 on each count.

On January 11, 1967 the NRP picketed the offices of the American Jewish Congress in New York where a meeting was being held to discuss the resurgence of Neo-Nazism in West Germany.

- 5 -

The NRP is still in existence and still active. They appeared at Riverside Park in Baltimore, Md. in October of 1969 in coalition with the N.S.R.P. rally held at that location. Later the same month they appeared at Brentwood in P.G. Co., Md. at a rally of the Aryan Klan at which were represented members of the NSRP, Minutemen, U.K.A. and ANP. They still hold rallies weekly in New York and still publish their Bulletin. It is also a fact that the group travels extensively. It believed that their current membership (active) is very small, however a supplementary to this report will be forthcoming with a list of current membership etc.

## NEO-FASCISM IN THE UNITED STATES

### NATIONAL RENAISSANCE PARTY

The reappearance of the avowedly fascist organization on the American scene was marked by the formation in January 1949 of the National Renaissance Party, headed by a young fanatic, James H. Madole, of Beacon, N. Y.

The party's official organ, the four-page monthly *National Renaissance Bulletin*, is frankly billed as "the only Fascist publication in America."

"What Hitler accomplished in Europe, the National Renaissance Party shall yet accomplish in America," is Madole's fatuous boast in the issue of his *Bulletin* dated May 1953.

National Renaissance Party activities center on the dissemination of fascist propaganda through the *Bulletin*, other printed literature, and through street-corner oratory. The *Bulletin* has been published in Beacon, N. Y., where Madole's home at 224 East Main Street has served as national headquarters of the organization until the spring of 1954. At that time, Madole took up residence at 10 West 90th Street, New York City, and announced the new national headquarters address as Box 238, 208 East 86th Street, New York City. Street meetings have long been held at the corner of 88th Street and York Avenue in the Yorkville section of Manhattan. There, in seasonable weather, Madole may be seen haranguing some two dozen followers with a mixture of praises for Hitler and Mussolini and vituperation against minority groups. Hecklers at times swell the audience to almost 100 persons, and the meeting occasionally ends in a stone-throwing bout.

A serio-comic yet repugnant feature of this neo-fascist organization is its attempt to maintain a uniformed "elite guard" in the Nazi style. Madole is at times accompanied by a handful of young fanatics wearing dark caps and trousers and brassards on which a lightning bolt replaces the swastika. The elite guard takes an oath of unconditional obedience to the NRP leaders, whom it allegedly

serves as honor guard as well as protector.<sup>3</sup> The guard admittedly held secret meetings in New York City on Thursday evenings during 1953 under the joint command of Matt Koehl, Jr., and Hans Schmidt.

## NATURE OF PROPAGANDA

The program and propaganda of the National Renaissance Party is virtually borrowed wholesale from the Fascist and Nazi dictators.

Its nine-point program advocates abolition of parliamentary government in the United States in favor of government by a "trained elite"; establishment of a Fascist corporate economy; encouragement of "racial" pride; preservation of the "white Aryan" race by gradual deportation of the "Porto [sic] Ricans, Negroes, Jews and Asiatics"; and the denial to Jewish people of citizenship, professional and political posts, and the right of "intermarriage."<sup>4</sup>

NRP propaganda contains extensive rehashes of Hitler's speeches. Typical are National Renaissance *Bulletin* articles, "Adolf Hitler Explains Nazi Anti-Semitism," appearing in the February 1953 issue, and "Adolf Hitler, the George Washington of Europe," which appeared in the issue of May 1953.<sup>5</sup>

NRP's own leaders imitate the Hitler line. Eustace Mullins, who has joined Madole in his street-corner propagandizing, is the contributor of an article entitled "Adolf Hitler: An Appreciation," in the *Bulletin* of October 1952.<sup>6</sup> John M. Lundoff, Brooklyn chairman of the NRP, extolled the features of the Fascist corporate state in the April 1952 *Bulletin* and asked the youth of America to choose between "parliamentary democracy with its empty promises and discord or the clear, brave, and youthful Fascist principles outlined here." Chief source of propaganda for the NRP, however, is Frederick Charles F. Weiss, of Middletown, N. Y., who is portrayed as a graduate of the University of Heidelberg and the Sorbonne. His prolific writings in the *Bulletin* and in separate leaflets are mainly racist diatribes.

The NRP has also circulated literature received from Einar Aberg, of Norrviiken, Sweden. For example, an anti-Semitic pamphlet by Aberg entitled "The War Criminals" was distributed in this country under the NRP's stamp. An "overseas office" is maintained by the NRP under the direction of Mana Truhill, of 54 Audubon Avenue, New York City.

Madole's group offers its fascist program as the "antidote" to communism. The falsity of its anti-Communist role is immediately exposed by NRP's insistence that a Communist is synonymous with "Jew." The NRP not only violates our constitutional principles by making this minority its target; it also frequently supports the position of the very Communists it allegedly opposes.

For example, the NRP accuses the United States Government, whether under Democratic or Republican control, of seeking to promote a new world war to "carry out the economic and political ambitions of a small coterie of international Wall Street bankers."<sup>7</sup>

FIGURE NO. 2, PART 1.

TO ALL MEMBERS AND POTENTIAL MEMBERS OF THE ELITE GUARD:

The uniformed Elite Guard of the National Renaissance Party was founded as a semi-military formation for the purpose of protecting indoor and outdoor meetings of the Party, providing an honor guard for Party Leaders and participating in uniformed parades and mass demonstrations.

Your motto is: "Loyalty, Service, Obedience".

Your enemies consist of International Jewry on the left and International Finance on the right. Both of these international forces seek to exploit the nation as a whole for their own selfish purposes.

As a member of the Elite Guard, the 9-point program of the National Renaissance Party must serve as your political Bible. Your individualism must be replaced by your duty and devotion to the national community. The Aryan Race, consisting of the; Slavic, Nordic, Celtic, Latin, and Anglo-Saxon peoples must remain the dominant culture creating force in America if Western Civilization is to survive.

As Aryans be proud both of your RACE and NATION. Extreme individualism and internationalism enable JEW'S and others animated by selfish and anti-racial ideas to dominate the intellectual and political life of the nation. Just as extreme individualism must be subordinated to the welfare of the national community so must the interests of LABOR and MANAGEMENT be subordinated to the needs of the NATION as a unit.

Our RACE and our NATION must be of paramount importance to all members of the National Renaissance Party.

You may consider your enlistment in the Elite Guard as similar to an enlistment in a private army, whose sworn purpose is the establishment of an American regime based on the principles of RACIAL NATIONALISM and SOCIAL JUSTICE.

National Renaissance Party

FIGHT AGAINST COMMUNISM... AMERICA FOR AMERICANS... AMERICA FIRST

FIGURE NO. 2, PART 2.

This attack is identical with the propaganda line of the Communist Party, despite the different motives behind Communist and fascist attempts to disaffect Americans from their Government.

In a leaflet entitled, "Asiatic Barbarism Versus Western Civilization," Madole proclaimed that—

Only the superbly efficient totalitarian economic systems of Fascists, National Socialist, and Communist regimes are adaptable [sic] to the strain of TOTAL WAR as practiced in the 20th century \* \* \* The spirit of democracy is a glorification of weakness and cowardly conduct. It glorifies the coward instead of the fighter, it raises feeble weaklings to leadership rather than a trained, iron-hard, and youthful elite \* \* \*

At the time of the Prague trials in 1952 and other anti-Semitic purges behind the Iron Curtain, the NRP defended the action of the Soviet leadership and implied that the example should be followed in Europe and America.

Such an appeal to violence exposes the most vicious and dangerous aspect of the National Renaissance Party. In its printed literature, NRP has attempted to disguise such appeals, although the implications are clear in headlines such as the following:

In Russia They Execute Them the Prague and Beria Way! In U. S. A. They Promote Them the Dexter White Way!<sup>9</sup>

In his speeches, however, Madole has discarded caution on a number of occasions and boldly advocated "6 inches of steel" for America's Jewish minority.

NRP activities and propaganda are clearly subversive and un-American. The committee is further of the opinion that this neo-fascist organization, by its advocacy of force and violence, contravenes the Smith Act. The committee urges the Department of Justice to consider taking immediate steps to convene a Federal grand jury for the purpose of prosecuting the leaders of the National Renaissance Party under the act.

#### EXTENT OF NRP OPERATIONS

The National Renaissance Party has frequently appealed for support from crackpot elements which were active in bund and other fascist activities in the 1930's. Madole stated on one occasion that the NRP was formed to "carry on the work of the Christian Front."<sup>9</sup> The Christian Front had cooperated with the German-American Bund in pre-Pearl Harbor days and bund leader Fritz Kuhn had declared the ideas of the two organizations were 100 percent in agreement.

Daniel Kurts, self-proclaimed leader of the Christian Front in Queens, N. Y., in 1939, became an active worker in the National Renaissance Party.

<sup>9</sup> Another veteran propagandist, Kurt Mertig, became New York City chairman of the NRP, and his office at 317 East 54th Street, New York City, served as the NRP's city headquarters. From this same office, Mertig has operated as chairman of two of his own organizations—the Citizens Protective League and the German-American Republican League of Greater New York. Mertig's letterheads state the leagues were formed in 1936; the Attorney General cited both leagues as fascist organizations in 1948. Mertig himself served a

6-month workhouse term in 1946 on unlawful assembly charges growing out of his participation in a Christian Front rally in Queens, N. Y., in 1945.

In the summer of 1953, the NRP announced plans to run a candidate for Congress from the Yorkville district. Nothing further was heard of the scheme, however. The would-be candidate was H. Keith Thompson, Jr., who was identified in the *National Renaissance Bulletin* as a former registered agent for Maj. Gen. Otto Remer's Socialist Reich Party—a neo-Nazi group in West Germany now banned by the German Government.

The NRP had previously publicized Thompson as the national director of a newly formed American Committee for the Advancement of Western Culture. James Madole, Kurt Mertig, Frederick Charles F. Weiss, and other "officers and members" of the NRP also were represented on this committee, which had the grandiose role of serving as "a high policy planning group for the coordination of racial nationalist activities in America, Europe, Africa, and Asia."<sup>10</sup>

Last year, the NRP tried to extend its activities into other sections of the country.

A guest speaker at one of the NRP meetings in Yorkville on June 26, 1953, was one James R. White, who was billed as an "organizer" from Los Angeles. Madole claimed that White had "already organized a fully uniformed group in his city and distributed thousands of copies of *National Renaissance Bulletins*."<sup>11</sup> Committee inquiries disclose that James White's activities in Los Angeles have been confined to a small group and that no effective efforts in organizing the NRP in that city have materialized.

A youth in his early twenties, White was the publisher of his own newsletter, *Reason*, in 1952. Committee information shows that several years prior to his involvement in neo-fascist activities, White had been a member of the Spartacus Club of the American Youth for Democracy—a front organization of the Communist Party. It might be noted at this point that Mana Truhill, previously mentioned as head of the NRP overseas bureau, has admitted having attended the Communist-operated Jefferson School of Social Science in New York. This is another illustration of the common ground often reached by fascists on the extreme right and Communists on the extreme left.

Madole announced in his June 1953 *Bulletin* that a local NRP headquarters had also been set up at 2627 Hale Avenue in Louisville, Ky., under the leadership of J. W. Mitchell, a high-school student. Subsequent inquiry by the committee revealed that the branch in Louisville never attained any significant success and that it has since been dissolved.

In December 1953 the party's *Bulletin* stated that an NRP branch was being formed in Pennsylvania under the direction of E. R. Barron and Frederick Polzin, and that another branch was being created in New Jersey by Lawrence Sestito.

The numerical strength of an organization such as the NRP is difficult to measure. Such fanatics exaggerate their influence, and the committee would do no service in overestimating the importance of an element which will undoubtedly take pride in being publicized

<sup>9</sup> These lines are contained in a leaflet, *Brotherhood?*, distributed in 1953 and 1954 by the NRP and reproduced in part as Exhibit 5, appendix, p. 24.

<sup>10</sup> *National Renaissance Bulletin*, October 1951, p. 1.

as a "menace." Membership of the NRP has been estimated at anywhere from 200 to 700 persons. All indications point to a diminished following in 1954.

The NRP charges a nominal \$1 membership fee, and its monthly *Bulletin*, which has a \$2 yearly subscription rate, is often distributed gratis.

The NRP has stated it held 22 street meetings in 1952, and regular Friday meetings during the seasonable weather in 1953, its most active year. The combined total of indoor and outdoor meetings of the NRP in 1952-53 has been estimated at 70.

A certain decline in the organization's activities was evidenced in 1954. Investigation reveals that the new headquarters address adopted by the NRP early this year is the address of a commercial firm. It is apparent that the NRP is largely a nomadic group, meeting in hotels and private homes, at times under the cover of another name, and using privately operated mail boxes as mailing addresses. Its *Bulletin* is being issued sporadically, and in mimeographed rather than in its usual printed form.

The committee is encouraged by the relatively restricted nature of National Renaissance Party influence. The committee believes, however, that such organizations have no place in the American scene, and that the full force of exposure and prosecution must be employed to eradicate them.

vastly increase the Aryan birth rate in America and open up many jobs now held by married women to unemployed men.

Thus the National Renaissance Party is primarily concerned with the welfare of the national community as a whole and with the supreme task of the national community which is the protection and preservation of our most valuable Aryan racial elements. As opposed to this, the worthless Democratic and Republican Parties are solely concerned with the accumulation of gold and votes. The Republican Party serves the interests of International Finance, the Democratic Party serves International Jewry; but neither serves the interests of the American people as a whole. To clarify the issues we will outline the complete 9-point political, racial and economic program of the National Renaissance Party.

(1) To encourage racial nationalism among the peoples of Europe, Africa and Asia as an antidote to the spread of International Communism. We must disassociate American foreign policy from the decadent British and French colonial empires against which the entire land mass of Africa and Asia is in revolt. We must also repudiate the operetta-state of Israel unless we wish to drive the entire Middle East into the open arms of Soviet Russia in order that our political windbags in Washington may appease a howling pack of New York kikes, whose sole contributions to American culture have been syphilis and usury.

(2) To enforce a strict policy of racial segregation in America in order to preserve and advance the culturally dominant White Aryan Race which brought the cultural and social benefits of Western Civilization to our shores in 1492. (By the "Aryan Race" we refer to the Nordic, Celtic, Anglo-Saxon, Latin and Slavic peoples.)

(3) To bring about a gradual deportation of those racial elements which cannot be assimilated with the culturally predominant White Race. Laws must be passed to rigidly prohibit racial intermarriage. (Those racial elements which cannot be assimilated in an Aryan racial community are the Porto Ricans, Negroes, Jews and Asiatics.)

(4) The Jewish Race, which constitutes the motivating financial and intellectual force behind Communism, shall be deprived of their American citizenship and hence barred from all political and professional posts. Marriage between Jews and members of the dominant White Race shall be forbidden. (During the past 20 years the Jews have managed to obtain a tremendous hold on American politics, art, culture and commerce. No people on earth with a vestige of pride in itself and its national honor will tolerate such a domination of the KEY pro-

lessions by members of a completely ALIEN race. At the same time, the Jews are a determining factor in those political policies which have sought to undermine the last vestiges of racial and national pride in America. The Jew constitutes an alien virus in our national blood stream and as such he must be purged from our cultural, economic and political life.)

(5) To bring about the withdrawal of the United States from the United Nations in order to prevent further exploitation of American resources and manpower by foreign parasites. (In regard to foreign trade, America must develop a policy of preserving the American market for the American farmer and manufacturer. America must "Buy American" and subsidize, if necessary, American scientific ingenuity toward the end of producing chemically many of those products which are not found here in America but upon which this nation is dependent.)

(6) The alliance of German scientific and military genius combined with American technology, mass production technique and manpower could dominate both the American and European continents. Therefore our foreign policy must have the three-fold objective of realizing a German-American alliance in Europe; a Moslem-American alliance in the Middle East; and a Japanese-American alliance in Asia.

(7) The creation of an American Corporate Economy wherein labor and management will be equally represented in an Economic Dept. of the Federal Government. All disputes will be settled by impartial labor tribunals. (Labor and management exist to serve the interests of the State, which represents the totality of the American people. Class warfare and inflationary prices create universal economic chaos hence prices and wages must be stabilized by the State in order to meet the needs of the American people as a whole.)

(8) The abolition of parliamentary government national-minded elite.

(9) The use of all educational facilities to imbue the American youth with an intense feeling of racial and national pride as a sure antidote to the international poison of World Communism.

## The American Veteran — True Claimant to Power In America!

The United States is suffering from a surplus of politicians and grab-bag diplomats. Time and again these politicians and diplomats have sold out their country and their honor for votes from the racial minority voting bloc. Veterans cried out for housing and many new homes and housing units were erected but Jewish DP's moved in. Why!

These DP's moved in because their people were organized to the hilt in a tightly knit voting bloc which guaranteed local politicians that they would return to power if they obeyed the masters. Veterans don't count because they are not organized to fight for their rights.

The National Renaissance Party is determined to remedy this situation. The true claimants to power in this country are neither cheap political prostitutes nor a drove of ex-jailbirds from the ghettos of Europe, but men who gave their blood and if need be, their very lives for America on the battlefields of the world. They didn't owe their first loyalty to Israel or Soviet Russia and they didn't spend their war years in Roosevelt's civil service.

It's about time we cleaned out Washington and City Hall in New York. Organize for Action!

### Americans, Attention!

The National Renaissance Party is the only nationalist political party in the East and the only one in America which has regular outdoor rallies. We have earned the hatred of our enemies.

If you live in the New York area join the National Renaissance party and take an active part in the fight for your country. If you live elsewhere, form a local unit; at least join up and receive our patriotic literature.

# NATIONAL RENAISSANCE BULLETIN

September, 1949

Official organ of the National Renaissance Party devoted to Animism, a philosophy based on the values of individual personality, private enterprise and government by the intellectual elite.

"A philosophy of life which endeavors to reject the democratic mass idea and give this earth to the best people—that is, the highest humanity—must logically obey the same aristocratic principle within this people and make sure that the leadership and the highest influence in this people fall to the best minds. Thus, it build, not upon the idea of the majority, but upon the idea of personality."

MEIN KAMPF,  
Adolf Hitler.

## Two Major Outdoor Rallies Blast Communism In Yorkville!

On the night of August 26th and September 2nd, speakers for the National Renaissance Party spoke to cheering crowds on the corner of 86th Street and Second Avenue, the main thoroughfare and heart of Yorkville. New members were signed up right on the street corner, as one speaker after another outlined the party program and attacked Liberalism, Communism and Democratic decay.

Speakers at the first meeting were James H. Madole, party director; Kurt Mertig, Chairman of the Citizens Protective League and C. Daniel Kurts, of the Christian Front. Both of the latter organizations are officially affiliated with the National Renaissance Party. Some five hundred copies of the National Renaissance Bulletin were passed out and new members were signed up in the crowd of about three hundred people. Some thirty party members and two squad cars of police kept order in the crowd.

At the second meeting, the Jewish War Veterans of Arthur Aaronson had demanded that party members should be forbidden to speak. A New York Deputy Inspector and two other dignitaries were present and warned Mr. Madole that any mention of a specific race would cause the arrest of speakers on the grounds of incitement to riot. Everything possible was done to intimidate the speakers but the meeting commenced anyway.

After Mr. Madole had spoken for fifteen minutes, a Jew in the front of the audience demanded his arrest on the

grounds that he had been making insinuations against the Jewish race and its connection with Communism. Mr. Madole had been condemning the practice of flying a foreign flag or symbol beside the flag of the United States and had named Israel and its Jewish supporters in New York City as examples of this practice. The Jew was told by the Deputy Inspector that "nothing has been said to warrant this man's arrest."

Hecklers from the Jewish War Veterans began to shout interruptions and challenged the right of party speakers to speak on behalf of American war veterans. One of these hecklers was permitted to speak for five minutes but the infuriated crowd booed him off the speakers stand. He had complained about the use of the Cross above the flagpole on the speakers stand and the crowd accused him of trying to replace the Cross with the Star of David.

A third Yorkville meeting scheduled for September 9th was halted by the Deputy Inspector on the grounds that all Yorkville was getting stirred up and insufficient police were present to prevent a riot. The Jewish War Veterans were exerting terrific pressure on the Police Department and had succeeded in halting the meeting.

The National Renaissance Party has issued letters of protest with Police Commissioner William P. O'Brien and Mayor William O'Dwyer. Legal action will be instituted against the New York Police Department unless the violation of our constitutional rights is rectified promptly. Letter of protest have also been filed in Washington, D. C., stating that the act of the New York City Police Department against the National Renaissance Party violates the recent Terminiello decision of the United States Supreme Court.

### **Jewish War Veterans and National Renaissance Party Fight Pitched Battle On Bronx Street Corner!**

On the night of July 16th, the party held a mass meeting on the corner of Wilson Avenue and Boston Road, protected by some fifty party members.

The Jewish War Veterans and residents of the newly erected and Jewish populated Gun Hill apartments started to heckle speakers, who were W. Henry MacFarland, guest speaker and director of the Nationalist Action League of Philadelphia; William J. O'Brien, sales manager of "Common Sense," and Raymond Burke, director of the party's Information and Education Division.

Toward the end of the meeting, Mr. MacFarland declared a question period and whipped up a hot debate on the Zionist question. The Jews started to call members of our guard units bums and a general melee resulted. One Jew was

knocked down, but only because he had deliberately insulted members of the audience, and sought to start a fight.

We complied with police orders and called a halt to the meeting which had gotten out of hand. Nonetheless some one hundred Jews had been beaten back twice from surrounding the speakers and this had been accomplished by some fifty party members, all veterans, who used folded newspapers.

Marxists and left wing newspapers tried to smear the meetings by claiming that they were organized by the Nationalist Action League, which has been placed on the Attorney-General's list as Fascist and subversive. Actually the meeting was registered as a rally by the National Renaissance Party at the White Plains Road Police Department and Mr. MacFarland of the Nationalist Action League spoke as a guest speaker.

### **Communist Blood Flows On Peekskill Meadows As Party Members Distribute Literature!**

Paul Robeson, a noted Negro Communist, was scheduled to sing at a concert on the golf course of the Old Hollowbrook County Club near Peekskill. He expected his usual ovation from the crowd but what he got in the neck, was another Boston Tea Party. About 12,000 Communists attended the meeting in buses and private cars and eyewitness reports state that at least eighty per cent were of the Jewish race. Some 1200 police and state troopers had to hold back over 2500 American veterans who were justifiably incensed by this alien influx from the red ghettos of Brooklyn.

When the cars and buses started to leave the concert grounds, after having been decorated with anti-Communist stickers brought to Peekskill by party members and placed in the hands of eager veterans, hell broke loose. The veterans smashed police lines, overturned Communist automobiles, smashed bus windows and beat up individual Marxists. The Communist guard unit stood by and did nothing, being eager to escape with a whole skin.

In the meantime, a large quantity of literature was being distributed, both in Peekskill and at the concert grounds.

What happened at Peekskill can and will happen elsewhere. A little motto in relation to Peekskill and Robeson's singing and talking, which certainly incited to riot, might be,

If Red traitors like Robeson can sing;  
Then what, pray tell, is wrong with  
Walter Gieseling?

**Wake up Americans! Peekskill did!**

National Renaissance Party  
Racial Matter - Organization

On October 20, 1970, Special Agents of the Federal Bureau of Investigation (FBI) observed a street rally sponsored by the National Renaissance Party (NRP) which commenced at approximately 7 p.m. at the Northeast corner of Broadway Street and Broadway in Queens, New York.

A characterization of the NRP may be located in the Appendix page attached hereto.

It was observed that those NRP members present at 7 p.m., erected a speaker's platform in the street on Broadway, adjacent to the curb at this Northeast street intersection. An American flag and a flag bearing the insignia of the NRP, a thunderbolt, were placed alongside the speaker's platform. Also observed was a sign alongside the speaker's platform setting forth the following: "NRP-American White Power Party." The Public Address System was also set up in conjunction with the speaker's platform.

It was observed that this street rally lasted until 9 p.m., and during the period from 7 p.m. to 9 p.m. a crowd of approximately 75 to 100 curious onlookers gathered. Speeches were attempted by NRP members James (Jack) the founder and current leader of the NRP, Gregg Lewis, NRP Secretary, and David Kerr, described as the leader of the NRP in the state of New Jersey. However, these speeches were totally ineffective inasmuch as the Public Address System was inoperative. Other NRP members present distributed pamphlets entitled, "Should American GI's Serve as Gunmen Fodder in Another Holy War For The Jew?"

APPENDIX

NATIONAL RENAISSANCE PARTY

On April 16, 1970, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director, and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, Apartment 8, New York, New York, where weekly meetings, usually on Sundays, are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 16, 1970, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

On November 4, 1970, a confidential source, who has furnished reliable information in the past, advised that the National Renaissance Party (NRP) sponsored a street rally beginning at approximately 7 p.m., on October 31, 1970, at the Northeast corner of Steinway Street and Broadway in Queens, New York.

A characterization of the NRP may be located in the appendix page attached hereto.

This source stated that approximately 15 NRP members attended. Included were James Madole, the founder and current leader of the NRP; Gregg Le Duc, NRP secretary; and David Kerr, described as being from Fairwood, New Jersey.

Speeches were attempted by Madole, Le Duc, and Kerr, which proved completely ineffective, inasmuch as the NRP was unable to set up a public address system. Source further stated that no speaker's platform was erected at this rally, inasmuch as the public address system owned by the NRP is currently broken.

This source also advised that at the height of the street rally approximately 100 to 125 curious onlookers had gathered. Source noted that a few hecklers, voicing political opinions and shouting remarks contrary to the NRP, were also present.

This source further advised that the major portion of this street rally was spent in passing out NRP literature. Source stated that different sorts of NRP pamphlets, all basically anti-Semitic, and anti-Negro were distributed.

No arrests or other noteworthy incidents were observed by the source.

APPENDIX

NATIONAL RENAISSANCE PARTY

On April 16, 1970, a source advised that the National Renaissance Party (NRP) was founded in 1949 by JAMES H. MADOLE, who continues to serve as its National Director, and who completely controls the organization. The source advised that the NRP is headquartered in MADOLE's residence at 10 West 90th Street, Apartment 8, New York, New York, where weekly meetings, usually on Sundays, are held.

The source described the NRP as an anti-Negro, anti-Semitic, and neo-Fascist organization.

This source stated that the program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The source advised that as of April 16, 1970, the NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

David Kerr, James Madole, Robert Woodcock, Louis Mostaccio and John Charlebois and four other unknown individuals passed out 2,800 NRP leaflets.

While the NRP was passing out leaflets, 12 members from the Jewish Defense League (JDL) appeared at the bus terminal and set up a booth. They passed out literature and became involved in a verbal confrontation with the NRP members. [redacted] of the JDL directed his verbal attack at [redacted] calling him all kinds of "choice names". At one time the NYCPD officers on duty approached the JDL and requested them to refrain from further verbal outcries at the NRP or they would be forced to withdraw their permit.

The literature distribution lasted from 3:45 to 5:20 p.m. after which the NRP members went to NRP Headquarters for the regular Sunday night meeting. Those at NRP Headquarters included:

[redacted]  
Louis Mostaccio  
James Madole  
Grace Madole  
[redacted]

During the meeting, they discussed their future plans for picketing the Jefferson Book Store on 14th Street. No final plans were made.

On 12/9/70, [redacted] and [redacted] appeared in Criminal Court, Part D-1, 100 Centre Street, New York, N.Y., for a hearing on the assault charges filed [redacted]

[redacted] and approximately 14 members of the Jewish Defense League (JDL) attended the hearing. The JDL members ranged in age from about 14 years old to 33 years old and included boys and girls. Most of the JDL members wore caps and had on JDL buttons.

During the lunch recess [redacted] and [redacted] were surrounded at an elevator. One JDL member told [redacted] "Take a blow, don't come back".

Throughout the day the JDL members constantly harassed [redacted] and [redacted]. A JDL member wearing a blue beret with a big JDL patch who appeared to be approximately 24 years old, white, male, weighing 220 pounds, 6'6" - 7" tall, with brown hair and brown eyes told [redacted] "I am going to kill you after this is over". Another individual told [redacted] "I'm going to hang you from the ceiling [redacted]"

[redacted] went to a police officer and told him he was being harassed and asked him for assistance. When the officer came over one of the JDL members said that [redacted] "isn't anything but a Nazi bastard". The officer observing the JDL members stated he had dealings with the JDL before and told them to leave [redacted] alone. When the officer walked away the JDL started harassing [redacted] again. The officer returned and told the JDL members that he didn't want to hear another word from them.

[redacted] and [redacted] returned from the lunch recess at 2:00 p.m. and were continually harassed until a court attendant took them before a Judge on the 1st floor at 4:00 p.m. [redacted] testified and was cross examined by [redacted] attorney about the assault. The Judge announced that the case would be presented to the Grand Jury and [redacted] would be notified when to appear.

[ ] then reminded the Assistant District Attorney Mc Kay (ph) about the harrassing anonymous telephone calls he had received since he had [ ] arrested.

[ ] attorney, Mc Kay and the Judge discussed the facts and the Judge then stated that there was to be no more harrassment or threats in this case. If there are any threatening calls or harrassment the court is to be notified and [ ] bail will be revoked.

During the lunch recess [ ] went to get a restraining order against the JDL to prevent them from further interfering with NRP activities but was told that the matter would have to be handled by an attorney. [ ] stated that the NRP would attempt to obtain legal counsel from the American Civil Liberties Union.

COUNTERINTELLIGENCE PROGRAM  
DISRUPTION OF HATE GROUPS  
RACIAL MATTERS

Re New York letter to the Bureau, dated 12/1/69.

The National Renaissance Party (NRP) is the only white hate type group known to be currently active in the New York division.

The NRP headquarters continues to be located in Apartment 8, 10 West 90th Street, New York, New York, the residence of NRP National Director, JAMES H. MADOLE.

The activities of the NRP during the past year have included Sunday night meetings, street rallies, and occasional picket lines, none of which have resulted in acts of violence. However, the activities have encouraged confrontations with the Jewish Defense League.

The current active membership of the NRP is between 15 - 20 members.

The NYO is not advancing a counterintelligence proposal because the NRP continues to act as a clearing house for anti-Semitic, anti-Negro individuals who might be prone to acts of violence were it not for the restraint placed upon them by their leader, JAMES MADOLE.

The NYO by letter dated 12/1/70 proposed that in the absence of other proposals a counterintelligence letter prepared on NRP stationery and appropriately signed JAMES H. MADOLE would help to neutralize [redacted] of the National Socialist White Peoples Party (NSWPP). It is the opinion of the NYO that if this proposal is adopted it will have a secondary effect of disrupting MADOLE's influence outside the New York City area. It is the opinion of the NYO that the NRP is of such an insignificant influence in the New York City area that the organization does not warrant counterintelligence activities.

From T- 200,000 My Code number

I could have passed on more intelligence information on my brief visit with you Thank Giving at your home but due to it being a holiday I didn't want to intrude to long so didn't have enough time to do this.

I don't know how accurate the following information is sent me by our White Christian intelligence network(WIN) but hope it will be of benefit to you.

The following is a condensed outline a WIN member in Indiana sent me and if you want to check this out with any of your members in that state don't mention that he lives in that state as I don't want to risk having his personal security compromised in case any member you might contact might be an infiltrator

(I)

[redacted] Ind. 47356. as a mail drop.

h

His first contact with [redacted] was through two JES organizer in Anderson, Ind. [redacted] and [redacted] who suggested that he contact subject. First contact made with subject 1965 or 66. Subject claimed to be a Klan to-be Kleagle in Indiana and also membership in the Minutemen. Subject expressed his approval of the Klan and stated that he would use Klan membership list to switch Klansmen to the Minutemen.

1967 subject introduced our WIN member to a [redacted] at a Wallace AIP meeting in Middletown, Ind. Also present at this meeting were the following individuals. [redacted] for the NSRP in that state, and [redacted] Subject lost contact with [redacted] [redacted] claimed to be a member of the Klan in that state.

Subject is supposed to be a Army Korean Vet married to a Korean woman. Subject reported to be living with [redacted] now in Witchata, Kansas who is [redacted] with out divorcing his Korean wife.

A [redacted] works with [redacted] and claims to be a Klansman and is supposed to be in a plot to get rid of Grand Dragon [redacted] and put the Klan out of business in Indiana. [redacted] reported to have bought submachine guns from a arms dealer who was later arrested and [redacted] was let off. Suspected of informing on dealer.

[redacted] and [redacted] organized Loyal American Association to take over Minute men from [redacted] and [redacted] double crossed [redacted] and stole his membership list. Don't know if [redacted] is working with [redacted] or [redacted] at this time but guesses that he is working with [redacted]

A [redacted] Alias [redacted] Minuteman No [redacted] Reported to claim to be in the Klan and Minutemen. Works in [redacted] in Indianapolis, Ind. and with [redacted] Lives in Mt. Meridian, Ind.

Our WIN member believes these individuals are ADL and FBI suspected informers. He didn't give the name of the Klan these suspects claim to be in. At this time he is the only WIN member we have in Indiana and I don't know how reliable he is but he appears to be a hard worker and a good Christian judging from his letters so far. He stated that he was acquainted with [redacted] former Minuteman [redacted] who is [redacted] in Missouri. It seems [redacted] resigned from the Minutemen because only 25% of the members were Christian as reported to me by this WIN member who is or was a Minuteman

If this report is accurate it appears that these individuals are trying to wreck the Klan and Minutemen through infiltration. However this WIN member might be seeking information on their membership or pretending to be on our side. It is possible he might be working for both the ADL and FBI so this should be considered.

~~CONFIDENTIAL~~

Page Two

Some of our WIN members in Virginia and Michigan report the following that I will report in condensed form.

Statecraft, Box 202, Centerline, Michigan 48015 and a [redacted] and [redacted] are suspected of having stolen the National Youth Alliance membership list. They are also suspected to be working with [redacted] National Socialist White People Party, 2507 North Franklin Rd. Arlington, Va. 22201 that is suppose to be a front for the American Nazi Party. These suspects may be working for the ADL and bankrolling these organizations

Joe Kamp in his pamphlet "Bigots Behind The Swastika Spree" reports that James H. Madole head of the National Renaissance Party, New York City is a ADL agent and that this is a ADL front.

Our WIN network is slowly expanding with members in several states. We hope to have a state headquarters established in California and Texas soon. We now have state WIN headquarters in Florida, Virginia and Missouri.

I have all that I can handle here in my state so I leave it up to the members to run WIN in any way they want to. I have been working on WIN for several months and am surprised to have made the progress that I have made so far. Most well informed Christians are so afraid of infiltrators that they dont want to take any risk whatsoever. Any of them that have been out spoken are all ready in the FBI and ADL files [redacted] stated that the FBI now has the Minutemen membership list sized when they arrested [redacted] WIN and our Florida Militia do not maintain a file in our headquarters on our membership list. We keep these files decentralized so if any were sized only a limited number of our members would be exposed.

The Army Special Forces Ranger field manuals are the best source on how to operate a secret resistance organizations. I cant recommend the following mail order book dealers but these FM's can be secured from them. Some might be ADL fronts to secure names of Patriots from their mail orders. I havent tried this but suggest that anyone sending in a mail order purchase a postal money order using a fake name and have the order delivered to general delivery to protect their identity when calling for the order. Most arms and war surplus dealer are Jews so the members should try to conceal their identity as much as possible when buying from these sources.

- (1) Normount Armament Arm Co. Box 211, Forest Grove, Oregon 97116
- (2) Panther Publications, Box 369, Boulder, Colo. 80302
- (3) Adobe Hacienda R-3 Box 517 Glendale, Arizona 85301

I may stock these manuals and survival supplies but no guns and use some of the profit to help me carry the expenses of operating our WIN state headquarters and Militia as I am paying for this myself and it is very expensive for me. If you know of anyone who might want to buy this by mail order tell them to contact me and if there is enough demand I will start by stocking the manuals and later stock survival supplies. I want to find out in advance if there is enough demand before tying up to much money in this. Here's Hoping that all is well with you and that your organization can serve as the Georgia WIN state headquarters and perhaps the national headquarters as well. For security in correspondence suggest you use the [redacted] in this letter

Washington, D.C. is in the hands of the Black Panthers. As many as 36 Divisions are available within a very few hours.

In one of last years National Chronicles we printed the story that 500,000 machine guns and rifles with a million rounds were landed in the bayous of Louisiana, loaded on trucks destined to deliver them to the different cities where the Black Panthers had organizations. The F.B.I., the Justice Department and the U.S. government made no effort to stop this delivery and very few if any of the guns and ammo have been found.

It is said there are 75,000 ready to move in Washington, D.C. (Here, it is possible, we may be relieved of a Communistic Congress. - Ed.-H.W.H.)

UNITED KLANS OF AMERICA, INCORPORATED  
KNIGHTS OF THE KU KLUX KLAN

Records of Superior Court of Fulton County, Georgia, show that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Incorporated.

A source advised on February 27, 1961, that United Klans was formed as a result of a split in United States Klans, Knights of the Ku Klux Klan, Incorporated. According to the source, the split resulted from a leadership dispute, and the United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy and segregation of the races.

The first source and a second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Incorporated, merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, Alston Building, Tuscaloosa, Alabama. (The organization is directed by Robert M. Shelton, Imperial Wizard, and is the dominant Klan group in the South, with units in several southern states.)

Second source advised that at a meeting in Prattville, Alabama, on October 22, 1961, the United States Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Incorporated (UKA), Knights of the Ku Klux Klan.

Third source advised on May 7, 1970, that the UKA is currently an active organization with klaverns in several states. This source said that Robert M. Shelton is the Imperial Wizard of this organization and was elected to this position on September 3, 1967, at a "National Klonvocation" in Tuscaloosa, Alabama. Source stated that during April, 1966, the National Office was moved from Suite 401, Alston Building, Tuscaloosa, Alabama, to the carport of Shelton's residence, #18 Lake Sherwood, Star Route, Northport, Alabama, which space he had converted into a room.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,  
also known as THE AMERICAN NAZI PARTY,  
AMERICAN NAZIS, THE WORLD UNION OF FREE  
ENTERPRISE NATIONAL SOCIALISTS, THE  
GEORGE LINCOLN ROCKWELL PARTY

On May 26, 1970, a source advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP-WUFENS) was organized by George Lincoln Rockwell at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews and communists through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander Rockwell.

On August 25, 1967, George Lincoln Rockwell was assassinated in Arlington, Virginia, near the ANP headquarters building. The August 28, 1967, issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that Matthias Koehl, Jr., took command of the Party after Rockwell's assassination.

### MINUTEMEN

The Minutemen (MM) whose headquarters are in Norborne, Missouri, was organized in June, 1960, by Robert Bolivar DePugh, who has been publicly identified as the National Coordinator of the organization since its inception. On September 8, 1969, he announced the appointment of [redacted] to replace him in this position while he completes serving sentence in the United States Penitentiary for violation of the Federal Firearms Act.

Past statements by Robert DePugh and literature distributed by the organization indicate the purposes of the MM are to be the resistance to, and exposure of, the spread of communist influence within the United States; for the formation of a guerrilla or underground organization to combat the troops of any foreign powers which might eventually occupy this country; and to resist passage of laws which would regulate private ownership of firearms.

A source, who in July, 1969, had access to some MM records, estimated that approximately 2,500 individuals have in the past expressed an interest in the MM and have been considered as members by DePugh; however, source believes there are probably no more than 300 actual active members of the organization. [redacted] a self-admitted former member of the MM. [redacted]

[redacted] advised in December, 1969, that the actual membership strength was greatly exaggerated by DePugh, and the true membership is probably unknown to DePugh. [redacted] stated about 150 persons were sent MM literature on a regular basis and, therefore, he believed this to be the maximum membership.

In April, 1966, DePugh, in his book, "Blueprint for Victory," wrote the MM organization was then divided into two bodies: the MM and the Patriotic Party. One group, the MM, would be the resistance movement and the other, the Patriotic Party, would have the function to serve as the political arm of a complete patriotic resistance movement.

Members of the MM organization, including Robert DePugh and [redacted] have been arrested in the past on charges or violations of

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

the Federal Firearms Act, Bank Robbery-Conspiracy, Illegal Possession of Firearms and Conspiracy to Commit Arson. They have also engaged in maneuvers utilizing guerrilla tactics, wherein machine guns, mortars, grenades, and other firearms were employed.

A second source advised in late May, 1970, [redacted] had stated the MM organization had "fallen apart" subsequent to the arrest of [redacted] in July, 1969.

A confidential source, who has furnished reliable information in the past, advised on April 14, 1971, that approximately twenty supporters of the National Renaissance Party planned to travel from New York City to WDC by automobile on April 24, 1971, in order to participate in a demonstration in Washington. The source learned that the group had applied to the National Park Service for a permit to demonstrate at various locations in the city, but intended to demonstrate whether or not a permit is granted.

NATIONAL RENAISSANCE PARTY

On May 29, 1968, a source advised that the National Renaissance Party (NRP) was founded in 1949, by JAMES H. MADOLE, who continues to serve as its National Director and is in complete control of the NRP.

The source further stated that the NRP has its headquarters in the residence of JAMES H. MADOLE at 10 West 90th Street, New York, New York. Weekly meetings are held at this location on Thursday evenings.

The source described the NRP as an anti-Negro, anti-Semitic and neo-Fascist organization.

This source stated on July 28, 1966, that JAMES H. MADOLE, as of October, 1965, distributed a printed "program of the NRP", which program had as its announced purpose the establishment of a "Racial Nationalist State". According to the program, this would be accomplished by calling a Constitutional Convention to ratify the necessary amendments to the United States Constitution in order to carry out the NRP program for the establishment of a "Racial Nationalist State".

This source further advised that as of May 29, 1968, this "program of the NRP" remains in effect and that the anti-Negro and anti-Semitic nature of the NRP is exemplified by the following excerpts from this program:

1. Enact and rigidly enforce legislation to restrict the benefits of American citizenship to mentally and genetically sound members of the Caucasian race.

2. Enact legislation to prohibit intermarriage between white and non-white.

3. The Jewish race shall be deprived by suitable legislation of their American citizenship and shall henceforth be prohibited from holding any professional, political or educational posts within the Racial Nationalist State. The Jew constitutes an alien virus in our national bloodstream and, as such, he must be purged from our cultural, economic, and political life.

4. Enact legislation to hasten the repatriation of American Negroes to the newly independent black nations on the African continent under the auspices and guidance of black nationalist leadership in the United States.

NATIONAL RENAISSANCE PARTY

5. The establishment of a selective immigration policy whose primary purpose is to attract the best European racial stock to the North American Continent in order to utilize their vast energy and talent in the task of creating a dynamic, expanding White Empire capable of withstanding the encroachments of the primitive, colored world led by the Oriental colossus, Red China.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY  
Also Known As The American Nazi Party,  
American Nazis, The World Union of Free  
Enterprise National Socialists,  
The George Lincoln Rockwell Party

On May 26, 1970, a source who has furnished reliable information in the past advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP-WUFENS) was organized by George Lincoln Rockwell at Arlington, Virginia, on February 26, 1959. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by Adolf Hitler. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews, and communists, through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander Rockwell.

On August 25, 1967, George Lincoln Rockwell was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967, issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that Matthias Koehl, Jr., took command of the Party after Rockwell's assassination. This source advised that the organization continues with its aims and goals mentioned above.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race-mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank-and-file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

The following editions of "The Thunderbolt" advised of the indicated changes of address:

<u>Issue</u>	<u>New Address</u>
June, 1960	Post Office Box 783 Birmingham, Alabama
July, 1965	Post Office Box 184 Augusta, Georgia

On August 4, 1965, a source advised that Edward R. Fields, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who actually controls the NSRP.

Issue Number 126, dated June, 1970, of "The Thunderbolt" lists Dr. Edward R. Fields as the National Director of the NSRP as well as Editor of "The Thunderbolt."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

Dear Jack:

Thank you for your letter of  
April 20th. It was good of you to drop  
a note and send in the National Renaissance  
Bulletin.

You do not have to worry about being  
on the mailing list or putting yourself on  
record that you are not a subscriber. All  
of your friends know what a great American  
you are. This country needs more people like  
you.

I am glad that you, Yvonne and the  
children are well. Tell Yvonne I have missed  
seeing her at church. I guess we just aren't  
going to the same mass.

As you know, these are very trying  
times for the Boss and the Bureau. I am very  
confident that the Director will run the storm  
with friends like you behind us.

With kind personal regards,

Sincerely,

National Renaissance Party  
Racial Matter - Organization

On May 1, 1971, at approximately 2:25 p.m., Special Agents of the Federal Bureau of Investigation (FBI) observed members of the National Renaissance Party (NRP) begin to set up a picket line on the sidewalk of Union Square East, opposite the intersection of 16th Street in New York City, New York.

A characterization of the NRP may be located in the Appendix Section attached hereto.

The purpose of this picket line was a counter-demonstration against the "May Day" activities being sponsored in Union Square by the Communist Party in New York City at that same time. By 2:30 p.m., six NRP members had formed a circular picket line and were carrying various signs. Some of which read as follows:

"Gas Red Jewish Scum", "Keep GI's Out of the Middle East", "No Mercy for Red Traitors".

The NRP members participating in this picket line continued with their sign carrying activity until 4:00 p.m. that same date. At that time, they disbanded and departed the area.

No arrests or incidents were observed. Those NRP members present included Gregg Le Duc, previously described as the NRP secretary, David Kerr and John Charlebois. All NRP members present wore white shirts with dark ties and an armband containing an insignia of a thunderbolt.

This document contains neither recommendations nor conclusions of the Federal Bureau of Investigation (FBI). It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Literature passed out by NRP members at picket lines, counter-demonstrations and similar activities contained a statement on the bottom indicating that additional information re the NRP could be obtained by writing to "NRP, Post Office Box 10, New York City, New York".

B. Officers

JAMES H. MADOLE, founder of the NRP, continues to serve as President or National Director.

The Security Echelon Section of the NRP is described in NRP literature as being the militant fighting arm of the NRP.

NY 105-6112

C. Objectives

The "National Renaissance Bulletin," the official newsletter of the NRP, in Volume 22, Numbers 1 and 2, dated January and February, 1971, sets forth that the NRP is "a political party devoted to the restoration of the American Republic, the preservation of American sovereignty and the establishment of an American regime based on the principles of racial nationalism and social justice".

D. Membership

This source advised that new members to the NRP continue to undergo a three-month probationary period following initial entrance into the organization. If a new member proves acceptable, he is then sworn in as a member of the Security Echelon Section of the NRP.

NY T-1

June 10, 1971

In describing the chain of command in the NRP, individual Security Echelon Section members are responsible to a Section Leader, who in turn is responsible to a Group Leader, who is in turn responsible to the Security Echelon Commander, who in turn is responsible to the NRP President.

The JDL attacked these members with hammers, baseball bats and clubs.

b6  
b7C

NY T-1  
May 4, 1970

The JDL, founded in 1968, is composed primarily of young Jewish militants who consider themselves as defenders of "Jewish Rights". Demonstrations attempting to dramatize the Jewish problem in Russia, and similar demonstrations against Arab establishments have often resulted in violence. Rabbi MEIR KAHANE, founder and National Director, has stated publicly on many occasions that violence is sometimes necessary to accomplish the aims of the JDL.

#### B. Picket Lines and Counter-Demonstrations

On May 1, 1970, Special Agents of the Federal Bureau of Investigation (FBI) observed the NRP engage in a picket line at the northeast corner of Broadway and 17th Street, New York, New York. This picket line was a form of counter-demonstration to the annual "May Day" rally sponsored by the New York District of the Communist Party (CP). Eight NRP members were present carrying posters, some of which read as follows: "No Mercy For Red Traitors," "Join The NRP to Fight Communism," "You Are Living Under Jewish World Government".

On December 14, 1970, the NRP set up a picket line across the street from Madison Square Garden at 32nd Street and 8th Avenue, New York City. The purpose of this picket line was to show and protest to a Jewish fund raising affair then taking place in Madison Square Garden.

NY T-1  
December 14, 1970

NY 105-6112

Source advised that JAMES H. MADOLE, NRP Director, made the statement that 15 NRP members departed New York City on April 24, 1971, to travel to Washington, D.C., to participate in a demonstration. The purpose of this travel was to set up a counter-demonstration to the peace demonstrations being conducted in Washington on that same date.

NY T-1

April 25, 1971

On May 1, 1971, Special Agents of the FBI observed seven NRP members set up a picket line on the sidewalk of Union Square East, opposite 16th Street, New York City. The purpose of this picket line was a counter-demonstration against the "May Day" activities being sponsored in Union Square by the CP in New York City at that same time. Those NRP members present formed a circular picket line and carried various signs reading as follows: "Gas Red Jewish Scum," "Keep GIs Out of the Middle East," "No Mercy For Red Traitors".

#### C. Street Rallies

On June 6, 1970, at the intersection of 2nd Avenue, between 83rd and 84th Street in New York City, the NRP sponsored a street rally. This rally commenced at 6:45 PM and ended at 8:30 PM. Fifteen NRP members were present and four speeches were given. All speeches were basically anti-Jewish and anti-Negro in nature.

Other NRP members present stood at the base of the speakers platform displaying one United States flag and two NRP flags, each carrying the insignia of the symbol of the NRP, a thunderbolt.

NY T-1

June 8, 1970

On June 13, 1970, the NRP held another street rally at the intersection of 84th Street and 2nd Avenue, in New York City. Thirteen NRP members were present for this rally and speeches were given by NRP Director JAMES MADOLE and NRP Secretary GREG LE DUC. NY 105-6112

On June 20, 1970, a Special Agent of the FBI observed nine NRP members conduct a street rally at the intersection of 2nd Avenue, and 84th Street. Speeches were given at this rally alleging that the great percentage of the CP in the United States is made up of Jews, and that the presence of Negro prostitutes on the streets of New York City is ruining society.

On October 24, 1970, Special Agents of the FBI observed a street rally sponsored by the NRP commencing at approximately 7 PM at the northeast corner of Steinway Street and Broadway, in Queens, New York. A sign alongside a speakers platform at this rally stated "NRP - America's White Power Party". Pamphlets were distributed containing the heading "Should American GIs Serve As Cannon Fodder In Another Holy War For The Jews?".

#### D. Literature Distribution

On June 3, 1970, approximately ten NRP members distributed 5,000 pieces of NRP literature on all four corners of the intersection of 86th Street and 3rd Avenue, New York, New York, between 5 and 7:30 PM.

NY T-1  
June 10, 1970

~~CONFIDENTIAL~~

The NRP maintains a checking account with the Manufacturers Hanover Trust Company, 1511 3rd Avenue, New York, New York, Account Number 0210 0030 0013 0 12246.

#### IV. PUBLICATIONS

The "National Renaissance Bulletin" continues to be the major publication of the NRP. This bulletin continues to be published approximately every three months and is then mailed to those on the NRP mailing list throughout the country. This mailing list numbers approximately 4,000 people and is maintained by NRP Director JAMES H. MADOLE.

NY T-1

June 10, 1971

On October 24, 1970, the NRP distributed leaflets at a street rally. These leaflets set forth NRP statements some of which are listed as follows:

"Jews' control over newspapers is total . . . they pull the strings through their heavy advertising - Jew department stores, supermarkets, furniture stores, etc.?"

"Jews promote a 'generation gap' amongst gentiles . . . the Jew family sticks very close together, but Jew teachers and professors always encourage non-Jewish children to hate their own parents . . . another way of Jewish sabotage!"

"Every Jew should be investigated and then eliminated from society as soon as possible."

On July 19, 1971, a confidential source, who has furnished reliable information in the past, advised that on July 17, 1971, the National Renaissance Party (NRP), sponsored a street rally, in New York City (NYC), on the east side of Second Avenue, between 34th and 35th Streets. This rally commenced at 6:00 PM, and broke up at approximately 9:00 PM.

The NRP was founded in 1949, by James H. Madole, National Director. The NRP is headquartered in Madole's residence at 10 West 90th Street, New York, New York. This organization has been described as anti-Negro, anti-Semitic, and neo-Fascist.

Source further stated that at approximately 6:00 PM, 17 NRP members had arrived, and the street rally was at its height. A speaker's platform had been set up, and three speeches were given during the course of this rally. The main speech was delivered by James Madole, NRP Founder and President. During his speech, Madole was critical of NYC Mayor John Lindsay, and the Jewish race in general.

Approximately 250 to 300 bystanders had gathered and observed the activity of the NRP. Anti-Jewish and anti-Negro literature was distributed by NRP members during the course of the speeches. A sign was erected along the side of the speaker's platform, stating, "White Power".

VOLUME II

NEW YORK CITY, AUGUST 13, 1971

NO. XV

We shall not be able to claim that we have gained total victory in this war if any vestige of Fascism in any of its malignant forms is permitted to survive anywhere in the world.

FRANKLIN D. ROOSEVELT:  
Message to Congress,  
September 17, 1943.

WWII  
PREJUDICE  
AND HATED  
FOR ALL

If you think Nazis exist only in WW II movies, and such programs as "Hogan's Heroes," and swastikas are relics or something to laugh at, you weren't at the rally on 2nd Avenue between 84th and 85th Streets on Saturday, July 31 around 6 P.M.

It was held by the National Renaissance Party, a neo-Nazi organization, who hurled verbal vitriol at the onlookers, while under the protection of over 40 Tactical Patrol Force policemen.

As Americans, we are entitled to protection by the police, and to the right of freedom of speech, but where does free speech end and inciting a riot begin?

Not content to lambaste the Jews, their most frequent target, they also took out after blacks, hurling insults—to put it most mildly—at both groups with equal fervor. At least they showed no discrimination in deciding whom to insult to what extent—they tore into both groups with equal vehemence. That is probably the only good thing that can be said about them.

They set their platform up in front of a store owned by blacks, and proceeded to hurl their insults. Of the blacks, they said all of them should be expelled from this continent, and that the crime rate of the blacks was the result not of poverty or ghetto conditions, but of racial inferiority. Another Nazi, speaking loudly and incoherently, could make only three words understood to the listening crowd: Kike, Jew, and Nigger. He repeated these words again and again.

Turning to the Jews—or turning on the Jews—they informed the crowd that Jewish women are as free with their bodies "as pieces of meat," that the Jews are responsible for pornography, for the black

revolution, for the Communist revolution, for Hippies, Yuppies, the S.D.S., and Women's Lib.

Not all those who were listening were sympathetic. As the Nazis chanted "White Power, White Power, White Power!" and challenged and goaded passerbys to cross the police barricade, and yelled out the word "kike," an enraged youth ran up to the barricade. He was spit on and swung at by a Nazi. He swung back, and a scuffle ensued. Other onlookers began to get theiricks in, and so, of course, did the Nazis. The youth was led away by the police, the barricades were extended, and the crowd was pushed back. The speeches became more militant, with the words "nigger" and "kike" becoming more frequent, replacing the words "black" and "Jew."

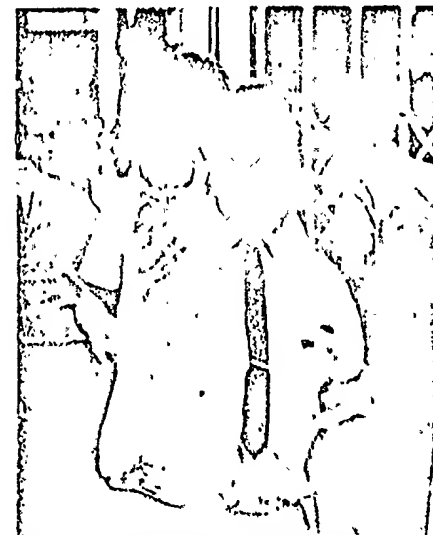

The black couple who own the store in front of which the rally was taking place had tried to drown out the speakers by setting up stereo speakers in front of the store, and playing soul music loudly. A young couple on the third floor of the building put their stereo speakers on the window sill and began loudly playing rock. The Nazis played German marching music, and drowned the others out. One of the Nazi speakers asserted that he hates certain Americans, with a passion. He pointed to the couple on the third floor.

The Nazis were egging on another member of the crowd, now, Alan Glass, Manhattan co-ordinator for the Jewish Defense League. They began exchanging words with the young man. Mr. Glass could not take any more of hearing the Nazis slandering the Jews and cursing him personally. Finally, he jumped the barricade.

One Nazi physically attacked him, and a brawl ensued, leaving a Nazi Party member with a wound in the back of his head, which later required stitches. Mr. Glass was arrested for felonious assault.

The rally ended at this point. It seemed the Nazis had accomplished their purpose. They had stirred up ill will, spread their slanderous gospel, and made a Jew to appear to be the bad guy. But they will be back. According to rumors, the Nazis will return soon. It might be enlightening for some of our local politicians to observe the next rally. Perhaps the F.B.I. could even take time off from some of its more

questionable activities to listen and see the sort of trouble-making propaganda these people are disseminating, both verbally and in the leaflets they hand out.

(Example. "We have been forced to fight three bloody wars for which our nation gained nothing but . . . victory for World Communism." "We are daily subjected to movies, television programs, and literature that continuously belittle the strong, intelligent White Man and

ify the weak, the effeminate, and the degraded, the Jew, and the Negro." "Jews have cold-bloodedly murdered . . . the best non-Jews trapped in the clutches of their horrible Communism in order to deprive the enslaved Gentiles of all intelligence, all courage, all devotion, and all morality." "(Jews) are using the Negro for two purposes: to degrade, corrupt, and mongrelize you and your children, and to form a trained-ape Red MauMau Army to protect the Jews in case you wake up before it is too late. They are establishing a cordon of Negro zombies to protect them in Washington . . . and New York . . . just in case we wake up before they take our guns away from us." "Einstein and Freud . . . contributed more confusion to the orderly progress of science than they have useful knowledge . . . Salk has produced a vaccine of questionable value.")

Are statements such as these, made verbally in public or distributed in printed form at a rally, truly an exercise in free speech? Or are they slander, and incitement to riot? Are the solutions they offer to the "black problem" in line with the American way of doing things—or are they an echo of Hitler's solution to the "Jewish problem" in the WW II era? If the Nazis wish to rid America of all blacks, and the blacks do not wish to be deported, will they next suggest that they have solution to any possible shortage of fuel for America's furnaces? And, if they wish to rid the entire American continent of blacks, what, then, do they propose to do

with the Jews, whom they seem to hate with even greater venom, if that is possible?

If the Nazis are entitled to the freedom to say all these things, in public—if they are—what rights do Jews and blacks have to defend themselves and their reputations from these people, and to defend their persons from the possible consequences of a sympathetic stirred-up crowd?

The next time you see an old WW II movie on TV, don't settle back too complacently to watch it. It's not all past history. It's not all quite so safely behind us.

## 150 Boo At Rally Of Klan

JERSEY CITY — The crowd at Journal Square yesterday didn't think too much of white supremacy.

About 150 people—many of them young—booed, laughed, and jeered members of the National Renaissance Party (NRP) and Ku Klux Klan.

It was the first public meeting in the state of the right-wing NRP, trying to recruit members in New Jersey.

But NRP Director James Madole of New York said he knew the reason for the hostility.

"These kids have been brainwashed for years," he said, "by Jewish educators."

Madole said the NRP is opposed to letting Jews play any part in school systems.

The 12½ hours of speeches had one theme—the inability of races to live and work together. "The black man can not be absorbed into our culture," Madole told his audience.

The speakers' platform was surrounded by ten uniformed, helmeted members of the NRP, and five Jersey City policemen. There were only minor incidents when spectators tried to get closer to the platform to argue.

Many young people raised their hands in the two-fingered peace symbol when NRP and Klan members gave a Nazi-like salute.

"It's about time someone spoke up for the whites," Madole said. "There are still more of us than there are of them."

Roy Frankhouser, grand dragon of the Philadelphia branch of the Ku Klux Klan, predicted that tension between blacks and whites would result in a race war.

"The day will come when the streets of your city will turn red with blood," he said. "And in this war, the color of your skin will be your uniform."

Several speakers said New York's Gov. Nelson A. Rockefeller did the first good thing in his career by sending the National Guard and state troopers into the prison at Attica.

Many spectators at yesterday's rally couldn't believe what they were seeing. "I thought Hitler was dead," said Frank Salerno.

"It's an insult to all citizens," said Gilbert Kip McKrae. "He's not just talking about blacks; he hates everyone."

ATTENTION WHITE AMERICANS! TO HELL WITH JEWS AND BLACKS! SUPPORT THE NATIONAL RENAISSANCE PARTY AND FIGHT FOR YOUR OWN RACIAL INTERESTS!

Burning American towns and cities set aflame by blood-crazed Black militants, a completely wrecked public educational system burdened down with millions of illiterate Negro "students" whose favorite pastimes include peddling narcotics in the school corridors, extorting lunch money from terrorized White students, and beating up or raping the teacher, the disappearance of untold millions of dollars from Welfare and Relief agencies (all pilfered from productive White taxpayers to support racial minorities who consider themselves too proud to work for a living), and the fact that White Americans are unable to traverse the streets, and parks or ride in the subways of their own cities without fear of being mugged, sexually assaulted, or murdered--ALL THIS PORTRAYS A PICTURE OF THE UNITED STATES IN 1970! We keep silent in the name of tolerance and "good sportsmanship" while civilization fades to a jungle level on the North American Continent.

We allow dishonest, vote-seeking bureaucrats of the Democratic and Republican parties TO TAKE JOBS FROM WHITE MEN IN THE BANKING, INSURANCE, BROKERAGE, AUTOMOBILE, AND STEEL INDUSTRIES AND GIVE THESE DESPERATELY NEEDED SOURCES OF WHITE LIVELIHOOD TO COMPLETELY UNQUALIFIED BLACKS! The politicians fear a rebellion by militant Blacks SO THEY OFFER YOUR JOB AS A BRIBE TO A BLACK REVOLUTIONARY OR CRIMINAL. The police and the military are censured by corrupt politicians and Jewish "opinion makers" if they arrest or imprison Negro criminals. There are no end of militant organizations fighting for Jewish and Negro interests BUT ONLY THE NATIONAL RENAISSANCE PARTY

DARES TO DEMAND AMERICA'S RESTORATION OF THE PRINCIPLE OF "WHITE EUROPEAN SUPREMACY" UPON WHICH THIS MIGHTY NATION WAS FOUNDED. WHY SHOULD AMERICAN G.I.'S BE SENT TO FIGHT IN ANOTHER "HOLY WAR" TO PROMOTE JEWISH AIMS IN THE MIDDLE EAST? WHY SHOULD WE GIVE OUR HARD-EARNED TAX MONEY, DESTROY OUR PROPERTY VALUES, WRECK OUR EDUCATIONAL SYSTEM, LIVE IN PERPETUAL FEAR OF MUGGING AND CRIMES OF VIOLENCE ON OUR CITY STREETS, AND NOW SACRIFICE EVEN OUR MEANS OF LIVELIHOOD ON THE BLOOD-STAINED ALTAR OF "NEGRO EQUALITY"? TO HELL WITH JEWS AND BLACKS! LETS WORRY ABOUT CIVIL RIGHTS FOR UNDERPRIVILEGED WHITE KIDS IN APPALACHIA, LETS HAVE QUALITY EDUCATION FOR WHITE YOUNGSTERS WHO ARE THE "WAVE OF THE FUTURE", LETS HAVE ADEQUATE LAW ENFORCEMENT AND DECENT NEIGHBORHOODS CLEANSED OF BLACK CRIME. JOIN THE NRP FOR A WHITE AMERICA!

ALBERT PRESTON LENTZ

Albert Preston Lentz is a white male, born November 1, 1929 at York, Pa., who resides at 920 West College Avenue, York, Pa., and the self-appointed Imperial Wizard of the Independent Ku Klux Klan of York, Pa.

A confidential source who has furnished reliable information in the past, previously advised that Albert Lentz had been the former Exalted Cyclops of Unit #13, York, Pa., of the United Klans of America, Realm of Pennsylvania.

UNITED KLANS OF AMERICA, INC.  
KNIGHTS OF THE KU KLUX KLAN  
REALM OF PENNSYLVANIA

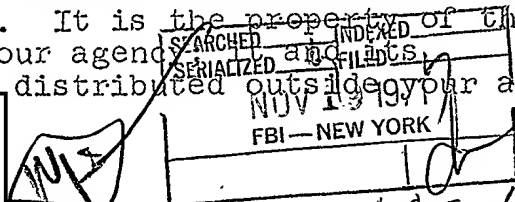

The UKA, Inc., Realm of Pennsylvania, has no official leader in the state and each Klavern is directly responsible to the National Headquarters of the UKA, Inc., Tuscaloosa, Ala. Each Klavern adheres to the same aims and objectives as the parent organization, which are the promotion of Americanism, white supremacy, and segregation of the races.

Albert Preston Lentz was expelled from the Klan in the Spring of 1970 for insubordination, but the main reason was believed to be an allegation that Lentz was a homosexual.

Lentz then formed the Independent Ku Klux Klan of York, Pa., in the fall of 1970 from members of Unit #13 who remained loyal to him. There are only four or five members in the Independent Ku Klux Klan of York, Pa., and Unit #13 is defunct, according to the source.

On November 12, 1971, this source obtained a copy of a letter dated November 8, 1971 addressed to the President of the United States, Washington, D.C., written by Albert P. Lentz, which stated as follows:

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Newark  
September 18, 1971  
Saturday

On Saturday, September 18, 1971, 2:00 PM, the (NRP) National Renaissance Party held a rally in Journal Square, Jersey City, New Jersey. There were approximately 150 people present at the rally. The majority of which were white. There were approximately 20 blacks present. Approximately half the people present were of school age. There were 16 people who participated in the rally and identified themselves as members of the NRP. All 16 participants were white, 15 were male and one was female. All 16 wore uniforms similar to the German Nazi uniform. The uniforms were dark grey with belled pants and black boots, storm trooper insignia armbands were worn, the insignia was red and the arm band white. Black combat helmets were worn with the storm trooper insignia. This insignia is depicted as follows:

Also, a few of the 16 NRP members wore insignia of ranks on their lapels, one member wore a gold leaf similar to the US Army rank of major, another wore one silver bar, similar to the US Army first lieutenant insignia. One of the 16 who identified himself as [redacted] of the Independent Ku Klux Klan of NY wore a white shirt with the insignia "Independent Ku Klux Klan". The 16 members of the NRP arrived at the scene of the rally in four separate cars at 1:45 PM. They set up a portable speaker's platform and a public address system. The public address system was housed in a green Renault New York plate HN6406. The members of the NRP lined up in a sort of parade dress formation next to the speaker's platform. Two American flags were held by members of the NRP. The Star Spangled Banner was played on a portable record player and then the members of the NRP saluted the American flag with a Nazi salute saying the words "White Power" as they saluted. There was a sign displayed depicting the words "White Power". A white male identifying himself as JAMES MEDORE, leader of the National Renaissance Party stepped up to the speaker's stand and announced that members of the NRP would be posted around the public address system and the speaker's platform and would defend the rally against attacks by anyone trying to disrupt the rally. He mentioned that the NRP believes in law and order and does not advocate violence. The NRP supports the police. He said that all minority groups are organizing and causing chaos in American society. He spoke about racial relations and said that intergration does not work.

b6  
b7c

He mentioned the Attica incident and spoke in complete support of the guards attack actions. He said the NRP does not believe in brotherhood and is anti-Jew and anti-black and anti-corrupt politician. He said that Mayor LINDBSEY of NYC and Mayor GIBSON of Newark are corrupt politicians and are causing all the troubles of the respective cities. He mentioned that the NRP seeks to organize the white race. He said the Jews own most of the land and business in this country and they use their money to better their own interests. He mentioned that the Leftist element of this country is loaded down with Jews. He said that all races are not created equal, and that the white race is supreme. He said that NIXON is not solving the problems of the US and that NIXON is giving China a chance to take over the world. He mentioned the Vietnam situation and said that the US should either win the war or get out of Vietnam. He talked about World War I and World War II. He said part of the NRP program is to stabilize prices and wages. He said the NRP seeks to build a state based on race power, white race power. He said ABBY HOFFMAN is an enemy of the people because he is a Jew and a Left Wing hippie. He mentioned that the Left Wing of this country has weapons and that he hoped that they used them.

The next speaker identified himself as RAY FRANKHOUSER and that he had been a member of the Ku Klux Klan since he was 17 years old. He said that white people in America have too much respect for blacks. He said we live in a nation filled with lies and hypocrisies and controlled by corrupt politicians. He stressed that people must have the right to bear arms. He said we cannot let the tyrant government take over our lives. He said that the NRP will fight and die for what it believes. He kept saying that the color of your skin will be your uniform. At this point a black middle age man tried to storm the stage but was quickly restrained by city policemen and NRP members. The speaker then resumed speaking, he said "We are fanatics" meaning the NRP. He said the youth of this country have too much freedom.

The next speaker identified himself as RICHARD BOYER, member of the NRP. He said all blacks should be sent back to Africa. He mentioned that the NRP is going to do something about it soon. He said the NRP will not listen to any long haired idiots. The next speaker identified himself as LOUIS PISTACHIO, member of the NRP. He repeated what the other speakers had said and stressed "the color of your skin will be your uniform." During his talk people were heckling very loudly.

NK 157-4778

A black man then embraced a uniformed city policeman who was guarding the speaker's platform and was quickly restrained (the same black man who tried to storm the speaker's platform previously).

Speakers who had previously spoke came back to address the audience for a second time. All speakers said approximately the same things they said the first time speaking. In fact all speakers said approximately the same thing. They all kept repeating the phrases: "White Power" and "The color of your skin will be your Uniform". A black man attacked the speaker's platform for a third time and was restrained. All speakers were very inflammatory in their speech. The audience appeared very hostile toward the NRP speakers and members. There were many hecklers in the audience.

A fourth incident occurred when an NRP member called a hippie-type youth a "Kike" a fight occurred and police restrained the youth and allowed the NRP member to depart the area in his car. An unidentified policeman was overheard saying that there were 15 uniformed policemen at the rally and 30 un-uniformed policemen and an unknown number of unidentified undercover cops present at the rally. He also mentioned that the brass gave orders to escort the NRP out of Jersey City. In summary the NRP wants to build a state based on white race power by organizing the white race. They seek to stabilize prices and wages. They are anti-Jew, anti-black, anti-tax, anti-gun law. They appear as enemies of the state as well as all minority group peoples. They say they support the police and oppose violence and terrorism, but their rhetoric is very violent and terroristic. It was mentioned by an unidentified person that the NRP is a NY based group which has been operating for 15 years unable to expand the organization.

Some of the members of the NRP who were present at the rally were:

Speakers at the rally included ROY FRANKHOUSER, United Klans of America, Reading, Pennsylvania; ALBERT LENTZ, Imperial Wizard, Independent Klan of America, York, Pennsylvania; JAMES MADOLE, leader of National Renaissance Party (NRP), New York City; FRANK DRAGER, Jr., self-proclaimed leader of WAM, Trenton, New Jersey; and WILLIAM SICKLES, Grand Imperial Wizard, Ku Klux Klan.

The general theme of the speakers was a call for unified action against the black revolution and to recruit members for the organizations represented by the speakers. The rally went off with slight incidents resulting in a couple arrests. FRANK DRAGER, Jr. who was sponsor of the WAM rally stated another rally would be held in Trenton, New Jersey, in the future but no specific date was announced.

Regarding DRAGER, source stated he was in 1967 editor of "Stormtrooper" magazine having replaced JOHN PATLER in that position. In 1967, DRAGER was active in the Spottsylvania, Pennsylvania area serving as head of the local American Nazi Party (ANP) unit. In 7/68 he was replaced as editor of "Stormtrooper" by RALPH FORBES. ## NRP COLLABORATES WITH KU KLUX KLAN AT PENNSYLVANIA RALLIES

Uniformed members of the NRP's Security Echelon at Klan Rally in Shantytown, Pa.

NRP leader James H. Madole shares Klan platform with Grand Dragon Albert Lentz of Pa. and Grand Dragon of Virginia. Collaboration in word and deed.

On July 10th and July 24th respectively units of the NRP's uniformed Security Echelon, together with Party Leader Madole, joined together with Albert Lentz, Grand Dragon of the Independent Ku Klux Klan, Roy Frankhouser, the Pennsylvania Grand Dragon of the United Klans of America, and Schuyler Ferris, Grand Dragon of the Virginia Ku Klux Klan, in dedicating a new training camp for American Racial Nationalists in Shantytown, Pa.. This land was donated by local Klansmen for the use of all patriotic organizations in the hope that a greater degree of unity may be fostered between competing factions in the

near future.. The NRP leadership congratulated Mr. Lentz and his followers and promised that our movement will aid their purpose in every way possible. The film, "TRIUMPH OF THE WILL", was shown at the July 24th rally by uniformed delegates of the National Socialist White Peoples Party (NSWPP) and enjoyed by all in attendance. Klan Leader Lentz has named the new camp "ARYANDOM", in honor of our racial heritage.

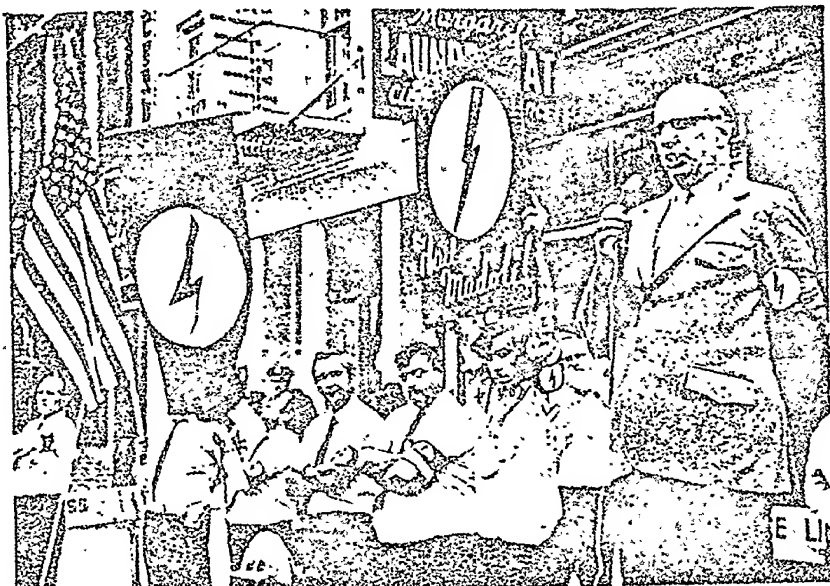

At the first Independent KKK rally in Shantytown on July 10th there were sizeable uniformed contingents from the National States Rights Party (NSRP), the National Renaissance Party (NRP), and the National Socialist White Peoples Party (NSWPP) but the hope for immediate unity among these organizations was rudely shattered when the NSRP contingent walked off the field and drove away upon the arrival of Mr. Madole and the NRP's Security Echelon. After the second Pennsylvania rally on July 24th, when both NRP and NSWPP uniformed groups stood at attention while the Klansmen went through the ritual of burning a huge cross on "ARYANDOM" property, the NSWPP's "National Socialist Bulletin" started making innuendos that our NRP "was not really a National Socialist movement" and that true followers of that doctrine could only belong to the NSWPP. Similar allegations were made by NSWPP Secretary Kirstein in personal letters to individuals both in New York and New Jersey. Let it be fully understood that the NRP is now intent on spreading into New Jersey, Pennsylvania, Maryland, and Washington, D. C., as well as our native New York State. We shall collaborate with any organizations, individuals etc. who will mutually reciprocate. If Dr. Edward Fields of the NSRP or Matt Koehl and Bill Kirstein of the NSWPP feel they are better political theoreticians and/or public orators than our Leader, James H. Madole, then let them meet him in a public debate or exchange of views in any of the states mentioned! This will finally settle this nonsensical internecine warfare between America's Racial Nationalist leadership once and for all.  
IN SHORT GENTLEMEN, EITHER PUT UP OR SHUT UP!

#### NRP Intensifies Its Outdoor Drive In New York City's Yorkville Section:

The NRP held 4 large Yorkville outdoor rallies on June 26th, July 17th, July 31st, and August 21st respectively. These meetings were held in the very heart of Manhattan and resulted in several clashes between Jewish Defense League and NRP members. On July 31st the Manhattan Coordinator of the JDL, Alan Glass, was arrested after he leaped a police barricade and was hurled to the sidewalk by SE man, Andrej Lisanik. In the fray SE man Lisanik received cuts on the scalp requiring 20 stitches. Among the multitudinous speakers at these Yorkville rallies were Roy Frankhouser, Grand Dragon of the United Klans of America for Pennsylvania, Russell R. Veh of the American White Nationalist Party of Toledo, Ohio, and NRP speakers, James H. Madole, Raymond Dowd, Russell Howes, Bill Davis, Richard Bayer, Louis Mostaccio, and Curtis Bruen from Virginia.

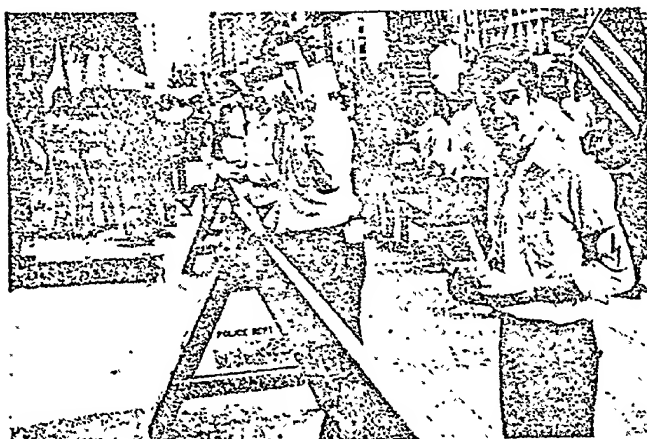

Several thousand leaflets were distributed and a number of substantial new converts joined our ranks. Our campaign in New York City, including outdoor rallies in Yorkville and Astoria combined with massive literature distribution both in the Port Authority Building and at the beautiful new World Trade Center

### An Historic First: The NRP Invades Jersey City With Street Rallies:

On September 18, 1971 the National Renaissance Party in collaboration with the New Jersey branch of the United Klans Of America held the first Racial Nationalist outdoor rally in the history of Jersey City in the very heart of Journal Square. We had some 16 uniformed SE men to guard the meeting and the speakers were Party Leader James H. Modole, Grand Dragon Roy Frankhouser of the Pennsylvania UKA, John Mulry, Kleagle of the Independent Ku Klux Klan, and NRP speakers, Richard Bayer and Louis Mostaccio. A front page story from "The Jersey Journal" will be found in this issue of the "NRP Bulletin". On September 21st the Jersey City Police Chief Stephen Nestor, under violent pressure from Jewish organizations and local political hacks, decided to arbitrarily ban all future NRP-Klan rallies in Jersey City! There was a predominantly White audience because our meeting site was situated

THE JERSEY JOURNAL, MONDAY, SEPTEMBER 20, 1971

## Supremacists Plan New Square Rally

The leader of the National Renaissance party (NRP) says he will hold another Jersey City rally in three or four weeks despite the hostile reaction to the Journal Square meeting Saturday.

James Madole, the party's national director, said another rally would be held at the Square within a month as part of a Jersey City membership drive. In the meantime, he said, a party member will be stationed in the PATH terminal area to distribute literature and sign up new members.

Madole said the meeting would be outdoors because the party probably would have little luck in getting someone to rent it a hall. He said there were no plans to run candidates for local office "at this time."

Madole said the New York-based party was founded in 1949 and currently has between 3,000 and 4,000 members nationwide. There are "several hundred" in New Jersey, he added.

Violence was averted several times Saturday as speakers from

the NRP and Ku Klux Klan loudly advocated "white supremacy" and bitterly attacked minority groups, especially blacks and Jews. Quick police action prevented angry listeners from lunging at the speakers platform, set up at the end of the East Concourse.

A crowd of about 300 listened to the speakers for an hour and a half as a dozen "soldiers" of the NRP dressed in black and grey uniforms reminiscent of Nazi Germany, stood guard around the platform.

Madole told the crowd that the nation's soaring crime rate is due to the "explosion" created when white and black races are forced together. "We should have more and more separation instead of more and more brotherhood," he said.

"White Americans must be the rulers," he declared, "because there are still more of us than there are of them." He added that Martin Luther King and Robert Kennedy both "got what

See SUPREMACIST — Page 5.

James Madole, national director of National Renaissance Party, addresses audience at white supremacy rally of NRP and Ku Klux Klan Saturday at Journal Square.

Continued from Page 1  
they deserved" for preaching  
brotherhood.

Ignoring increasingly frequent  
catcalls, Madole went on to say  
that Jews should not be allowed  
to hold public office because they  
consider themselves a "state  
within a state" and were "ex-  
ploiting the country".

He said Jews and Negroes and  
any other race that does not mix  
with white gentiles should be  
stopped from entering the  
country and that Negroes should  
be shipped back to Africa.

During Madole's speech, NRP  
members moved among the  
crowd passing out literature,  
ignoring the black spectators in  
the predominantly white crowd.

Police, under the direction of  
Deputy Chief Patrick McGee,  
had their hands full pulling back  
spectators who tried to force  
their way to the speaker's plat-  
form and quieting hecklers, who  
were mostly young whites.  
McGee said he had extra men  
stationed nearby in case of ma-  
jor trouble.

At one point, a middle-aged  
black man pushed through the  
crowd shouting, "No, no, we  
don't want black power—we  
want people power". Police hus-  
tled him to the rear just as  
several NRP men grabbed him  
at the platform. "Cool it," one  
policeman told the angry crowd.  
"this is what they want to hap-  
pen."

At the outset of the meeting,  
David Kerr, New Jersey NRP  
member and program leader,  
told his men, "Don't agitate, but  
if there's trouble, we'll finish it".

Roy Frankhauser, grand  
dragon of the Pennsylvania Ku  
Klux Klan, warned of a coming  
racial revolution where "the  
color of your skin is your  
uniform". He told the crowd it  
could not imagine the "violence,  
terror, killing and fighting" that  
would go on in the streets.

"And we're not going to give  
up our guns," said Frankhauser.  
"A disarmed people are a weak  
people. The white man's  
ingenuity can make a gun out of  
the things in your kitchen."

That 1,000 people are killed  
accidentally each year by guns did  
not bother him, he said,  
"because this is a small price to  
pay for freedom."

Another speaker was Richard  
Baer, a New Jersey NRP mem-  
ber who said he formerly lived in  
Jersey City but moved out  
because he didn't want to live  
with blacks. His speech quickly  
degenerated into a shouting  
match with a group of youths  
when he called them "gutless,  
long haired idiots."

NRP 'soldier' holds flag while guarding platform.

The meeting slipped into near  
chaos after the shouting on both  
sides reached a high point.  
The next speaker, Louis Pistacio,  
could barely be heard shouting,  
"Long live America", as the  
NRP guard gave their "white  
power" salute and many spec-  
tators mimicked them.

As the rally broke up, police  
had to hold back the shouting  
crowd surrounding one of the  
NRP cars as it moved out to the  
middle of the square. There, a  
police detail cut the crowd off  
and escorted the cars back to  
New York.

Few persons in the crowd had  
anything complimentary to say  
about the speakers. While one  
man said he thought they were,

"a little far out," a middle-aged  
woman waved her hand in  
disgust and said: "Jersey City's  
got enough problems without  
these people."

near the entrance to the Hudson Tubes and the bus station for nearby Bayonne. The audience consisted of from 300-500 people and there was no heckling until the arrival of a band of some 20 White "Hippie" types looking for trouble. The rally had been announced during the morning on Radio Station WOR which probably contributed to their presence. On September 22nd the politicians of Jersey City, under the leadership of Mayor Charles Krieger, a German Jewish refugee, decided to initiate an unprecedented abridgement of the "freedom of speech" which all Jews and liberals purport to believe in. They have demanded that the NRP should be forced to post a \$500,000 bond with the municipal authorities to insure the city against "riot damage" before another NRP rally can be held! Needless to say the NRP has approached the American Civil Liberties Union of New Jersey to contest this legalized extortion in the courts. Other NRP hammer blows will hit both New Jersey and Pennsylvania very shortly. Jersey City was only the beginning.

## NATIONAL FORCES ARE TRIUMPHANT IN BOLIVIA

\*\*\*\*\*

by Reinaldo Sanchez

(Ed. Note: Mr. Reinaldo Sanchez is the official Secretary of Press and Propaganda for the Commandos Libres Nacionalistas, a militant anti-Communist Cuban organization.)

Col. Andres Selich

New Nationalist Minister of Interior for Bolivia

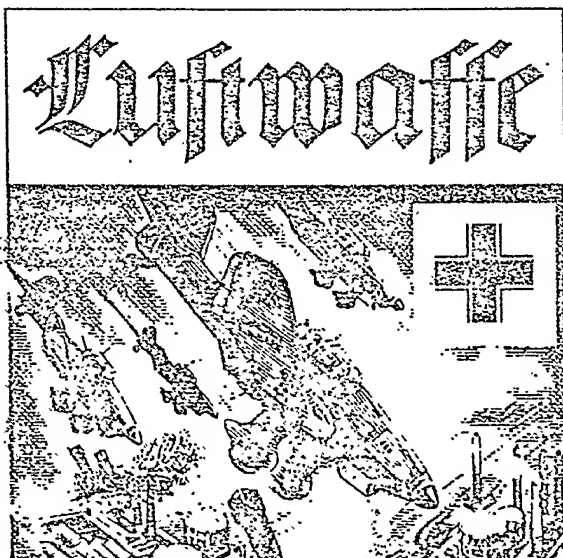

Bolivia's new Nationalist President, Colonel Hugo Banzer, a patriot of German ancestry.

- 7 -

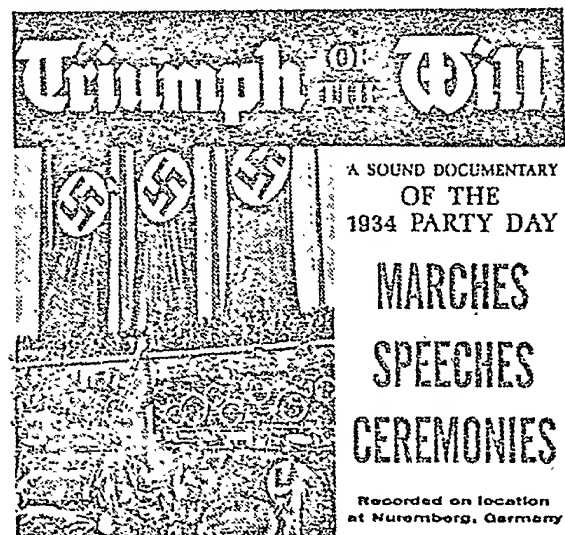

A great Nationalist Revolution has just been fought and won in Bolivia as the anti-Communist forces of Colonel Andres Selich composed of the patriotic organizations, FALANGE-SOCIALIST BOLIVIANS and the NATIONAL REVOLUTIONARY MOVEMENT, swept the native Reds from their positions of power and purged Bolivia of their hated influence. The NATIONAL REVOLUTIONARY MOVEMENT was founded in 1940 by a Mr. Villareal, and during World War II they sent fighting men to Europe in order to aid Hitler and Mussolini in their struggle against World Jewry. A short time after World War II Mr. Villareal was murdered in a cowardly fashion by Jewish-inspired Reds who threw him to his death from a high balcony. Democratic Liberalism, united with Jewish Communist forces, have kept the people of Bolivia in abject terror and misery for a great many years.

Colonel Andres Selich, Commander of the Rangers, was the man who annihilated the pro-Castro guerrillas in Bolivia and killed their chieftain, the Argentine-born Jew Ernesto "Che" Guevara, in 1967. Very difficult days are ahead for the new patriotic government of Bolivia because the Jewish "opinion makers" will soon inaugurate a world-wide propaganda campaign of hatred against them. This campaign will be especially vicious in the USA which is the biggest nest of leftist Jewish power in the world today! Therefore all Cuban Nationalists should unite with patriotic groups in all parts of the world and close ranks with the new government of Bolivia. Bolivia has frontiers with several other South American nations, among them, Chile, where a Communist dictatorship exists under the Chilean Jew, President Salvador Allende Gossens. We can establish an anti-Red base in Bolivia from whence our united Nationalist forces can strike blow for blow against Communist power in South America.

## GROUND HOG DAY:

Recently WAM became known to thousands of people around the United States, most of whom never knew such an organization existed. Even the authorities knew little or nothing about WAM and its activities until recently.

During the past four years commencing with the death of Lincoln Rockwell, Frank Drager and several associates quietly contacted nearly every Right Wing organization in the United States in a vital attempt to unify the Whites. After four years of sometimes success and sometimes failure WAM decided that it was time to bring its operation above ground and openly work towards its final goal of White Unity. During the past four years WAM has attracted persons who are to be classified among the intellectual elite. There are Political scientists, Demolition experts, Arms experts, Guerilla tactics professionals, speakers, organizers, etc., all ready and willing to pass their knowledge on to worthy Whites.

## WAM RALLY:

In its first attempt to spread a White Power message to the masses, WAM held its first public Rally. Frank Drager backed down the entire governing body of the city of Trenton, N.J. against impossible odds and successfully coordinated WAMs first White Power public gathering. Some 500 local persons attended to hear speakers from The White Action Movement, (Frank Drager and Roy Frankhauser), The National Renaissance Party (Mr. James Madole), The Aryan Knights of the KKK (Mr. Bill Sickles), The Independent Knights of the KKK (Mr. Albert Lentz). Unofficially represented but ever so present were the following: United Klans of America, National Socialist White Peoples Party, National States Rights Party and Minute Men.

The authorities of course were more disturbed at the possibility of so many Right Wing organizations appearing together because they foresee the possibility of hastening the already evident White Power Victory in America.

## WAM INTENDS:

WAM aligns itself in the exact opposite of the National Mobilization Movement (a Communist unity organ of the left) in that we feel the Right must stand united or we will fall divided. If WAM is not successful in uniting the entire Right Wing as the Nat. Mobe has united the leftists and Communists, the possibility of a Rightist Victory in America decreases.

There are those in the Right who will probably never associate themselves with WAM but as WAM becomes increasingly stronger and provides Revolutionary materials and leadership, those persons who are not standing with us now will find it ever increasingly difficult in the future not to join us. WAM is the way of the future.

# Drager Asks City to Okay Columbus Park WAM Rally

By Dave Neese  
Staff Writer

White Action Movement leader Frank Drager has asked the city to approve another rally — this one in Columbus Park.

City officials turned down an earlier request for a Columbus Park rally for a second rally Nov. 11 from 1 to 4 p.m.

Mayor Arthur J. J. said city officials the request.

## HIPPIES STONE JEWS:

WAM officially recognizes Hippie looking youths, drug abusers and generally anti-social persons as those persons who have not been given a direction in which to follow. At the recent White Power Rally some of the most repulsive looking teenagers, wearing peace symbols, bearded, long-haired, dirty and anti-social youngsters fought against and stoned the Jewish War Vermin as these select Hebes were trying to disrupt the Rally. One such youth allegedly laid a well placed rock on one of the biggest Jew noses he could find and was arrested. Frank Drager immediately bailed him out of jail and the case is still pending. WAM congratulates Bob Reali but must remind all others that breaking the law will not help our cause and it could be costly.

The day is rapidly approaching when all the Bob Realis will shout White Power and run home to cleanse themselves of the filth the Jew parasite has bestowed upon them. WAM intends to show them the direction, to give them purpose.

## CITY HALL DEFEATED:

Immediately following WAMs first White Power Rally, Drager re-applied for a permit to hold another Rally at Columbus Park, the Park originally refused earlier by the city. The city according to the Mayor met in special session to find out if there was any legal way to stop WAM from holding future gatherings. WAM was totally victorious! In a lengthy telephone conversation with Drager, Mayor Holland said "There is no way the city can deny WAM a legal permit to Rally, Police would not interfere with persons attempting to come to White Power Rallies as they had done previously and WAM officers would be treated with the exact same respect and professionalism as any other legal patriotic organizations." According to newspaper accounts, the City of Trenton was prepared to place a personal bond and or injunction against future activities of Frank Drager and that they were going to force WAM to pay for police protection. The Mayor stated to Frank Drager that the city knew these procedures were unconstitutional and that they had given up such thought. The newspaper also stated that "The City of Trenton feared a law suit if WAM did not receive its Constitutional rights." The newspaper was absolutely correct; WAM is always prepared to go to court to insure White people of their rights.

## REVOLUTIONARY MATERIAL:

WAM has available, educational courses on how to make and use various explosives in your home, techniques of the use of arms and explosives, techniques of Guerrilla Warfare and many more goodies. WAM also has in its possession a complete course on how to legally protect yourself during everyday life and during Right Wing activities. In this legal course explicit details are given for setting up and holding rallies and other Right Wing activities.

Needless to say, the cost of reproducing the above is astronomical but we feel this is material every White man should possess and fully understand. All organization leaders will be privately notified in the future as the complete revolutionary text rolls off the press. The total price of this priceless information will be the actual cost of printing plus 10% for handling. Figures will be available soon.

#### LEGAL DEFENSE FUND:

WAM is presently organizing a legal defense fund. This fund is to be used to "bail" Right Wingers out of jail, pay attorneys and legal costs for anyone arrested while participating in any patriotic activity.

The legal defense fund is going to take time to build and good attorneys are going to be hard to find so WAM urges the cooperation of every White Patriotic organization to help with this project as much as possible. The WAM defense fund is for the good of every White Patriot who might need its help in the future. Checks and money orders should be made out to WAM Legal Defense Fund and forwarded to P.O. Box 3112, Trenton, N.J. 08619.

Support WAM or any White Patriotic Organization of your choice but White Man you better stand up and be counted before it is too late.

ANDRE J. LISANIK

Investigation in this matter was predicated upon receipt of information from Source One, who advised on September 22, 1971, that a white male, identifying himself as a member of the National Renaissance Party (NRP), was observed on September 18, 1971, in Jersey City, New Jersey, driving an old model gray Mercedes Benz Sedan, New Jersey License Plate SVL-739.

The National Renaissance Party (NRP) was founded in 1949 by James H. Madole, who continues to serve as its National Director, and who completely controls the organization. The NRP is headquartered in Madole's residence at 10 West 90th Street, Apartment 8, New York, New York, where weekly meetings, usually on Sunday, are held. The program of the NRP, formulated in 1965, is aimed at the establishment of a "Racial Nationalist State" to be accomplished by calling a Constitutional Convention to ratify necessary amendments to the United States Constitution in order to carry out the NRP program. The NRP program remains in effect and includes intentions to enact legislation to prohibit intermarriage between races, restrict American citizenship to mentally and genetically sound Caucasians, and hasten the repatriation of American Negroes to independent black African nations.

According to information from literature made available by Source Two on February 16, 1972, the NRP is the only organization out in the public streets facing the "Red Mobs" and risking their lives to preserve the white racial heritage of our European ancestors. The NRP's leader Madole, for 20 years, has predicted the now existing American catastrophe and built the NRP for the day when it would be needed to restore the grandeur of America.

ANDRE J. LISANIK was interviewed at the Metuchen, New Jersey, Police Department. LISANIK was advised of the identity of the interviewing Agents as Agents of the Federal Bureau of Investigation (FBI), and of the continuing interest of the FBI in matters concerning the internal security of the United States. LISANIK was further advised that if he agreed to be interviewed, the interview would only concern his relationship with the National Renaissance Party (NRP).

LISANIK advised that he is presently a member of the NRP and has been an active member since July, 1970. LISANIK stated that he is in the position of "Section Leader" within the NRP. The "Section Leader" has the responsibilities which deal with security within the party. LISANIK further explained that it was his duty to protect the speaker who may be speaking at a rally or meeting. LISANIK advised that he knows JAMES H. MADOLE, as a personal friend. MADOLE heads the NRP in New York City, so LISANIK stated. LISANIK declined to comment on the NRP to any extent that would promote further knowledge of the party. LISANIK did state, however, that the present membership was around 5,000 members.

LISANIK further advised that he does not believe in all of the NRP's philosophy, but does go along with most of its ideals.

The following description of LISANIK is set forth from observation and interview:

# LI Nazis at It Again

★ ★ ★ ★ ★

## Tiny Handful Spreads Hate

By KARL GROSSMAN

Twenty-five years after the biggest war the world has ever known—and the most horrible genocide ever conceived by man — Nazi activity has re-surfaced on Long Island.

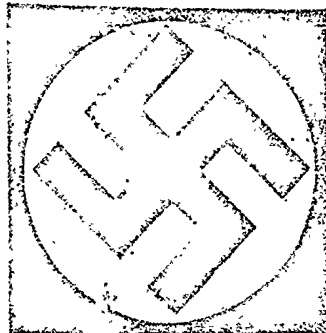

It includes all the old devices—hate literature, swastika armbands, bravado, threats of terror.

It has a new tactic—a demand, supported by threats, that a Long Island library carry “pro-Aryan” books.

The Nazi activity is the work of a tiny handful. Police intelligence sources say the total number of “activists” is between 10 and 20, with perhaps 40 “interested followers.”

Said an agent of one of the many law enforcement agencies which have been keeping tabs on the situation. “What’s involved is a handful of Class A nuts.”

BUT, NOTES Suffolk Dist. Atty. George J. Aspland, Nazis “have never been more than a handful—in the 1920s or 1930s—and they’ve always been nuts.”

Their specialty, he Swastika reappears. warns, is the few terrorizing the many—if they’re not firmly stopped.

Stresses Professor Louis Coser, “a handful of men with the severe mental disorders that characterize Nazis can have a disproportionate influence on events if they’re not handled promptly.”

Virulent hate literature—calling for the creation by violence of a “master race”—has been dumped on the Island in recent months.

The Nazis talk of a “coming struggle for Long Island,” between howls about “commie Kikes” and “Savage Blacks.”

They also are working through a purported students’ group to try to inflame race conflict at local colleges.

THE STAGING OF EVENTS has also begun. A contingent in Nazi uniform recently conducted a "memorial service" at Pinelawn National Cemetery.

It placed a swastika-wreath and a skull and crossbones on the grave of a "slain racial comrade"—a World War II German POW buried at Pinelawn.

Street rallies are threatened.

The groups involved are:

- The newly-formed Nassau-Suffolk division of the National Renaissance Party, an outfit run out of a basement in Yorkville.

- The National Socialist White People's Party, the new name for the Virginia-based American Nazi Party led by George Lincoln Rockwell until he was shot by one of his stormtroopers.

- And, the purported students' group, the National Youth Alliance, whose key leaders are Nazis, according to the Anti-Defamation League (ADL) of B'nai B'rith.

\* \* \*

CONSIDERED AMONG the "followers" are members of the Minutemen, a para-military group regarded as defunct on the Island since massive police action in 1967.

Extensive weaponry—including mortars and bombs—was seized in the Minutemen raids.

Law enforcement sources who worked the case said most of the 15 Minutemen on the Island were Nazi.

In addition, the Nazis have a loose association—for literature distribution so far—with several Long Island motorcycle gangs.

Typical of the literature is the "Long Island Racial Nationalist," put out by the Nassau-Suffolk chapter of the National Renaissance Party.

"Upon the liberation of white North America by the National Renaissance Party," the newsletter announced, "our first task will be to round up all those who have committed acts of treason against the American nation, such as Communism or Zionism, and those who have committed crimes against the white race such as spreading anti-white propaganda or encouraging race mixing."

\* \* \*

"AFTER A FAIR TRIAL by an impartial judge and jury," it went on, "those found guilty will be summarily executed. A number of people, in particular Jews, have questioned the morality and justice of this procedure, hence we have decided to offer these Zionists and Red

Jews who do not wish to face an impartial Aryan Court of Law an alternative."

The newsletter then pictures a boat with the caption: Our super-luxurious liners will take traitors on a one way trip to nowhere. The real difference of our steamers is their removable plugs. Sponsored by the Jewish Deportation Lines."

After a note that blacks are "250,000 years behind the white man on the scale of evolution," there is a plug for the organization's "program" which includes:

- \* Restricting American citizenship to mentally and genetically sound members of the Caucasian race.
- \* Legislation to prohibit intermarriage.
- \* One white empire stretching from the Arctic Ocean to the Gulf of Mexico.
- \* A "bonus" of \$1,000 to be paid for every healthy white child produced in the United States.

THE CHAPTER'S MAILING address is a Bay Shore Post Office box.

Law enforcement sources advised The press that the Renter of the box is a Jean Charlebois of Bay Shore. The sources said Charlebois has been in several altercations in New York City involving the National Renaissance Party. He most recently was arrested Jan. 18, 1971, in Manhattan, they said, and charged with assault and possession of dangerous weapons after he allegedly attacked a New York policeman.

He is listed in National Renaissance Party literature as a "private" in its "Security Echelon" (Blackshirt) division.

Charlebois was unavailable for comment.

HOWEVER, THE PRESS did locate Raymond Dowd of Lake Ronkonkoma who described himself as "political coordinator" of the group.

Dowd, however, referred all questions to the national "fuehrer" of the party, James Madole.

Madole, interviewed at length from his Yorkville headquarters, said he viewed Long Island "with the unemployment you're having out there, with the returning Vietnam war veterans, all the problems with the niggers as particularly lucrative."

But, he said, "I'm very busy right now working New Jersey. The riots in Jersey have made it very promising for us, too."

He refused to discuss numbers. He claimed, however, that the Nassau-Suffolk chapter distributed 30,000 "pieces of literature" on Long Island in recent months.

THE LIBRARY DISPUTE began when a delegation of Nazis barged into the Bay Shore-Brightwaters Public Library, strutted around the shelves inspecting the books and then announced it wanted some Nazi-oriented "pro-Aryan" books on the shelves.

The library people listened—and finally ordered two racist works, which are currently in the process of being reviewed.

Said a member of the library board, who asked to remain anonymous: "We feel a library should represent all points of view. Two of these books (from a list the

Nazis supplied) were ordered because we dealt with the Nazis as we'd deal with any group."

The trustee said a special reviewing procedure was set up for this case. A "totally impartial" member of the board has been assigned to read the works and report back to the other trustees at a meeting Wednesday, the trustee said.

"A final decision on whether to keep the books will be made then," said the trustee.

"We don't want to be accused of being prejudiced,"

said the board member, who, incidentally, is Jewish.  
~~They~~ "We're trying to deal with the Nazis fairly."

MEANWHILE, the Nassau-Suffolk branch of the National Renaissance Party has published a letter from the library in its "Long Island Racial Nationalist" advising the party that the books have been ordered. It is hailed as a victory.

The books are "Lincoln's Negro Policy," a racist harangue, according to the Anti-Defamation League, and "Imperium," a white supremacist's view of world history.

\* \* \*

THE NATIONAL YOUTH Alliance burst onto the Long Island scene last winter describing itself as a "law and order" organization geared to stamping out "anarchist groups" on college campuses.

Most of its organizers, it was said, were former Youth for Wallace campaign workers.

According to the Anti-Defamation League, however, key leaders of the group were members of the National Socialist White People's Party. And they and representatives of the neo-Nazi Liberty Lobby eventually took full control.

Since then:

- National Youth Alliance speakers screamed "There's a Jew behind every anti-American disturbance" during problems at St. John's University last fall.

- The group was suspected in connection with arson attacks against blacks at the State University at Stony Brook.

- A delegation of its Long Island chapter dramatically split, arguing, "we were subjected to racists and anti-Semites," and a Young Americans for Freedom leader said the group was run by "racists, Nazi and rejects from the Ku Klux Klan."

\* \* \*

NATIONAL LEADERS of the National Youth Alliance couldn't be reached for comment. At the Ronkonkoma home of James Clifford, the group's former Long Island director, a man who identified himself as Clifford's father, said: "There were no Nazis in it. I'm not saying another thing."

At its height, the National Youth Alliance chapter on Long Island claimed to be getting members from all Island colleges and at well-attended press conferences was talking about getting involved in local Republican primaries.

Dear John:

The enclosed literature keeps coming to me. A year or two ago, I discovered that somebody had been a post office vandal enough to put my name into the National Renaissance as a member. I contacted Inspector O'Keefe at the Post Office and told him I wanted something done about having my name taken off their lists. He has not done anything about it, as well as he has not done a half dozen other things I told him about that I brought to his attention in the past. I do not want to, even by accident to be linked to this stinking facist organization. I wonder if you have any ideas as to what I should do about it? Very best regards from Von and,

FRANK DRAGER, A FORMER ROCKWELL LIEUTENANT, JOINS WITH NRP AND ITS KLAN ALLIES TO FORM THE WHITE ACTION MOVEMENT; BATTLE FOR TRENTON BEGINS !

The National Renaissance Party, together with the most revolutionary and militant elements of the Ku Klux Klan in Pennsylvania and New Jersey, proved they could work as a well coordinated team when we held our first major street rally in Jersey City on September 18. The Liberal Establishment was thunder-

struck at this display of WHITE UNITY in a city which had never been invaded by Racial Nationalist forces prior to this historic time. They have demanded that the NRP and KKK post a \$500,000 bond with Jersey City authorities as "RIOT INSURANCE" before further rallies can be held in that stronghold of democratic procedure. The New Jersey Civil Liberties Union will knock out this legalistic red tape during the winter months leaving us free to resume the political organization of Jersey City during the spring of 1972.

Very much in evidence at the hectic Jersey City rally was a former lieutenant of the late George Lincoln Rockwell by name of Frank Drager. This courageous fighter never left Mr. Madole's side during the entire length of the meeting. On October 10, 1971 Mr. Drager was present at another joint NRP-Klan rally in the Old Dutch Mill at Kutztown, Pa. where such speakers as Roy Frankhouser, the Pennsylvania Grand Dragon of the United Klans of America, James H. Madole, Leader of the NRP, and Louis Mostaccio of the NRP were speakers.

In order to foster a still greater degree of unity among American Racial Nationalist forces as well as to open the gates of Trenton, New Jersey to the militant forces of Aryan Supremacy, Frank Drager organized the White Action Movement (WAM) in collaboration with the Klan and NRP. Trenton, the capitol of New Jersey, has been wracked by ferocious racial disturbances in its public school system. On October 26th Frank Drager held a press conference in

the Holiday Inn at Princeton, New Jersey to announce plans for a mass public rally in Riverview Park which is located in Trenton's Conservative South Ward. With Mr. Drager at this conference were NRP Secretary Richard Bayer, Andrej Lisanik, Commander of the NRP's uniformed Security Echelon (SE), and SE trooper Tom McNeill. The proposed WAM meeting received prodigious coverage from the news media throughout the Delaware Valley. Chann.52 in Philadelphia carried 15 minutes straight of interviews with Mssrs. Drager and Bayer concerning the purpose and location of the Riverview Park rally. The indefatigable Frank Drager, with a coterie of local Klansmen, attended civic gatherings and spoke at pool halls and youth centers to get support from the oppressed White boys and girls of Trenton's school system.

The big day came on October 31, 1971 and the whole Trenton Police Force was on hand seeking to deter as many cars as possible from even driving close to the isolated site of the White Power rally. A large array of pickets from the semi-decrepid Jewish War Veterans were murdering the patriotic hymn,

"God Bless America", while the pro-Marxist Youth Against War and Fascism were provoking fights and hurling verbal abuse. The inspiring fact was that over 150 young men and women showed up to do battle with the accursed Jews and Communists. One Jewish War Vet was hit on his long beak by a well-aimed rock hurled by a 21 year old youth. He was arrested but bailed out later by Frank Drager. One young Marxist from Brooklyn, New York was arrested for using obscene language to a police officer. Masses of young people were inspired to give White Power salutes and shout slogans against their Jewish oppressors. Speakers were Frank Drager of WAM, Roy Frankhouser (Grand Dragon of the Pennsylvania UKA), Bill Sickles (Grand Dragon of the Aryan Knights of the KKK from Pittsburgh), Albert Lentz (Grand Dragon of the Independent KKK), and James H. Madole, Leader of the NRP.

After the rally we drove to WAM Headquarters in Trenton with about 30 men and laid plans to extend our activities in 1972 from Boston, Mass. to Richmond, Virginia. We intend to set up political bases in Boston, Mass., Bridgeport, Conn., New York City, Jersey City, Trenton, New Jersey, Reading, Pa., Harrisburg, Pa., Washington, D. C., and Richmond, Virginia.

Naturally the leadership of the NRP will collaborate with any organization that is devoted to the preservation of the Aryan Race and our glorious American Nation but we conclusively believe that the program of the NRP is the only comprehensive blueprint for the achievement of these goals! We cannot eternally look to the past for our racial future. Those who endlessly parrot the words of "Mein Kampf" written in 1924 or the American Constitution written in 1788 are hopelessly chained to the dead past and cannot hope to create an Aryan Empire geared to the AGE OF SPACE TRAVEL AND ATOMIC PHYSICS! Further we have no intention of sitting down with drunkards, religious fanatics who blindly seek to equate the doctrine of Aryan racial superiority with the universalist dogma of orthodox Christianity, or political gutter snipes who whisper that the NRP is run by "Arab Agents", "Russian Agents", "provocateurs for the Anti-Defamation League of B'nai B'rith", or "devil-worshippers and/or atheists"! We have the greatest admiration for men like Frank Drager, Roy Frankhouser, Albert Lentz, and Bill Sickles who have proven their courage and devotion on the political battlefield with deeds rather than words and thus we hope that WAM proves mutually satisfactory to all those united within its ranks and does not permit antagonistic forces to penetrate and undermine this alliance.

#### A RACIAL NATIONALIST POET ENTERS OUR RANKS

by James H. Madole

It is our pleasure to present the poetic talent of young Cormac Sullivan in this issue of the NRP Bulletin. The Racial Nationalist struggle must be carried into the creative fields of art and music as well as into the political sphere of life. Mr. Sullivan is only 15 years old but he already served two years in the Beatnik and "Drug Culture" of the infamous New Left. Since joining the NRP he has shaved, cut his hair to normal length, and placed his creative talents at the disposal of the NRP. If anyone can supply music for this poem, which demonstrates the youthful idealism and thrill of combat inherent within our uniformed Security Echelon (SE) we might have another Horst Wessel Lied on our hands!

HORST WESSEL

CORMAC SULLIVAN

### THE ARYAN STORMTROOPERS

- 1) The trembling sheep all stare in wonder,  
At the jack-booted march of Aryan thunder.  
By the most heroic of men they are led,  
Under the banners in Black-White and Red.
- 2) Chests swell our gray shirts, lightning on armband  
Street-battling saviours of the Whiteman's Land.  
Skin like leather, fists like a hammerhead,  
All enemies flee, save the bleeding and the dead.
- 3) Proud of living life the Aryan way.  
Pride in Loyalty and Honor have they.  
Proud of heroism in uniform,  
Proudest of the Will to brave the storm.
- 4) This army is happy, song fills the ranks,  
Sing of torches to burn temples and banks.  
Rank on Rank we fight for the only solution  
Forward Grayshirts for the White Revolution.
- 5) We're not wage slaves of Banker and Jew,  
We reject the lying Communists too.  
We know that One World can never be  
Only if we fight can our Race breathe free!
- 6) So march on, Stormtroops, down History's path.  
Let all foes feel the Aryan's wrath.  
Hoist high the flag! March through the night  
Into a new dawn of Aryan Light!

## A STERN REBUKE TO CRITICS OF THE NATIONAL RENAISSANCE PARTY

by James H. Madole

For some 6 or 7 years the NRP has noted that whenever the political fortunes of our movement has been on the rise, with large numbers of public rallies being held and successful inter-state alliances being consummated, a small number of loud-mouthed drunks and/or ne'er-do-wells have invariably crept out of the woodwork and sought to spread discord and mistrust in our ranks. They have attended public meetings and gotten into conversations with newcomers in order to inject their divisive poison against the hard-working members of the NRP who made these meetings possible! Always they form letterhead organizations in order to solicit booze money from honest patriots. Publications are issued by these gentlemen but seldom, if ever, do more than 3 editions ever reach subscribers. After six months another recruiting drive is launched among NRP, National Youth Alliance, or Conservative suckers who are soon disillusioned by the group of unshaven, unwashed, and loud-mouthed drunkards which form the backbone of these nebulous, letterhead "organizations".

Amongst these political gadflies are George Adam Link, a one-time New York City organizer for George L. Rockwell's American Nazi Party whom Rockwell later threw out for his overindulgence in alcoholic beverages, Sven Engblom, another gentleman who is seldom seen in full possession of his faculties, due to the evils of John Barleycorn, Larry Gladstone, a strange character, supposedly half-Jewish, who is always forming "Movements" and downgrading the NRP (Gladstone was arrested for gun-running in Florida in the company of a Jew by the name of Kalmanson), and there are several lesser lights unworthy of mention at this time. Mr. Link, and his cohorts, after being kicked out of Rockwell's movement for their alcoholic propensities, have formed a steady flow of "groups" such as "The Civilian Defense League", "The American Guard", "The American Mobilizers", and now "The Christian Defense League". All have been perpetuated by the vampiric relationship of G. Link to the NRP and other membership organizations as well as to the gullibility of newcomers in these movements who fall for Mr. Link's sales pitch which always includes attacks upon the Leadership and tactics of the Established parties whom he draws upon for financial sustenance! It would be a blessing to all sincere advocates of the Racial Nationalist Movement in America if people with flagrant records of chronic alcoholism, homosexuality, or drug addiction simply avoided the leadership cadres of "racist" political activity since exposes and scandals of sensational or disgusting nature will only drive honest patriots away!

Many sincere critics of the NRP deplore the fact that I cannot, in good conscience, endorse Orthodox Christian doctrine as a tenet of our political and spiritual world viewpoint. Knowing that every Christian leader from Pope Paul in Rome to Billy Graham, Orval Roberts, the Archbishop of Canterbury, and the entire leftist menage at the Federal Council of Churches of Christ are committed to breaking down all racial barriers between Aryans and Stone Age primitives I have no alternative but to oppose Christianity as "a semitic

spiritual creed" and a morality of slaves which subjugated the minds of our healthy pagan ancestors! In this I am upheld by the late Pope Pius who stated: "No Christian can be an anti-Semite, for we are all Semites spiritually." All Christian leaders of any significant stature have viciously opposed the Apartheid policy which preserves Aryan rule on the Dark Continent in South Africa and Rhodesia. Some have even joined the Bantu savages in calling for a bloodbath against Aryan settlers. Christianity supports humanistic Liberalism which I despise with every iota of my being! Christianity lets poor Aryan children starve in Appalachia but calls on its duped minions to supply millions of dollars and tons of food and clothing to keep alive such useless human debris as the Ibo tribesmen of Biafra and the Dravidian mongrels known as the Bangla-Desh in East Pakistan! Even right-wing ministers like 300 pound Billy James Hargis is cooperating with the Israeli tourist agency in selling round trip visits to the Holy Land while Rev. Carl McIntire is soliciting funds from Aryan nationalists to rebuild an exact replica of the Temple of Jerusalem in Cape Canaveral, Florida! Why should hard-working Aryans support these asinine Jewish schemes and permit these hypocritical ministers and priests to enslave our minds with Semitic fairy tales while they enrich themselves with our hard-earned money. That is why the NRP offers many rare but invaluable occult and metaphysical books which tell you of the wonderful spiritual heritage of Aryan Man. These include studies of Aryan historical and spiritual development traced from Atlantis through Iran, India, Egypt of the Pharaohs, Classical Greece, the Roman Empire, Medieval Europe, right up to the present day. The glory and beauty of Aryan spiritual doctrines, including the Nature Religions of Druidism and the Witch Cults (having nothing to do with Devil worship although so stigmatized by bigoted Medieval clergymen), as well as the harmony which man developed with Nature through the mystery religions of Persia, Egypt, India, Greece, and Rome would make the semitic creeds of Judaism, Christianity, and Islam pale into total insignificance by comparison! We ask only that you open your minds and study these volumes in order to cast out the Semitic lies which turn you against your own people and look upon the shining sun of your own Aryan spiritual heritage!

Whereas the Semite seeks to have GOD descend into matter or flesh by incarnating as a human being as witness Jesus Christ, El Mehdi, the coming Messiah of the Moslems, and the long-awaited Messiah of the Jews, the Aryan believes that man elevates himself into GODHOOD by developing his mental and spiritual powers! In short the Semite lowers Godhood into humanity while the Aryan elevates man into God (the "God-Man" or Superman). Aryan society is a pyramid wherein the base is represented by a racially pure stock of farmers, workers, and merchants, the center by the warriors of the Race, and the apex by an aristocracy of the intellect which gives direction and purpose to the entire pyramidal structure. We quote from "Man, The Unknown" by Dr. Alexis Carrel:

"Modern society ignores the individual. It only takes account of human beings... The confusion of the concepts of individual and of human being has led industrial civilization to a fundamental error, the standardization of men. If we were all identical, we could be reared and made to live and work in great herds, like cattle. But each one has his own personality..... The neglect of individuality by our social institutions is responsible for the atrophy of the

adults. Man does not stand, without damage, the mode of existence and the uniform and stupid work imposed on factory and office workers, on all those who take part in mass production. In the immensity of modern cities he is isolated and as if lost. He is an economic abstraction, a unit of the herd. He gives up his individuality. He has neither responsibility nor dignity. Above the multitude stand out the rich men, the powerful politicians, the bandits. The others are only nameless grains of dust.. (Ed. Note: Is this not a perfect description of life under democratic Capitalism in Modern America ?)

"Individuals are not equal. The equality of their rights is an illusion. The feeble-minded and the man of genius should not be equal before the law. The stupid, the unintelligent, those who are dispersed, incapable of attention, of effort, have no right to a higher education. It is absurd to give them the same electoral power as the fully developed individuals. Sexes are not equal. To disregard all these inequalities is very dangerous. The democratic principle has contributed to the collapse of civilization in opposing the development of an elite. It is obvious that, on the contrary, individual inequalities must be respected. In modern society the great, the small, the average, and the mediocre are needed. But we should not attempt to develop the higher types by the same procedure as the lower. The standardization of men by the democratic ideal has already determined the predominance of the weak. Everywhere, the weak are preferred to the strong. They are aided and protected, often admired. Like the invalid, the criminal, the insane, they attract the sympathy of the public... As it was impossible to raise the inferior types, the only means of producing democratic equality among men was to bring all to the lowest level. Thus vanished personality..... We have infringed natural laws. We have thus committed the supreme sin, the sin that is always punished..... The individual has become narrow, specialized, immoral, unintelligent, incapable of managing himself and his own institutions. But at the same time the biological sciences have revealed to us the most precious of all secrets - the laws of the development of our body and of our consciousness. This knowledge has brought to humanity the means of renovating itself. As long as the hereditary qualities of the race remain present, the strength and the audacity of his forefathers can be resurrected in modern man BY HIS OWN WILL."

Judeo-Christian dogmas caused Aryan Man to abandon his harmonious relationship with the immutable LAWS OF NATURE and thus to fall into the vile morass of Liberal Democratic thinking and the mental tensions and abnormalities of "the American way of life". Our pagan ancestors were honest, carefree, without need of Jewish Freudian claptrap, loyal to their wives and families, and far better warriors.

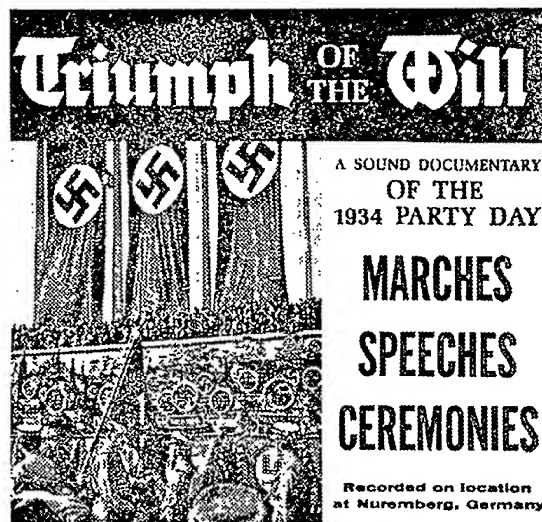

THE NRP SHALL RETURN US TO OUR ARYAN HERITAGE !

#### VOLKSWAGEN BUS FUND PROGRESSES

As our SE troopers go further and further afield they must have adequate sources of transportation. Some of our present cars are in a sad state of disrepair and 1972 calls for our men to hold mass outdoor rallies in northeastern cities from Boston, Mass. to Richmond, Virginia. We can obtain a used Volkswagen Bus, holding some 12 men, to supplement our cars for about \$500. Some have already contributed but at least \$250 more is needed. Please send your check to Volkswagen Fund today ! !

Mr. Jack O'Brian

Dear Jack:

By now you probably thought I had forgotten about your letter of February 18th in regard to the correspondence you received from the National Renaissance. Such, of course is not the case.

We have been following this matter and trying to work something out with the Post Office, in order to have the organization stop sending this material to you. Our man has been personally in touch with Assistant Postal Inspector in Charge Karl Fein. Inspector Fein advised that they have been trying to have this material stopped from coming in but inasmuch as it is not a violation of Postal law, they have not been too successful. He suggested that upon receipt of the mail you may want to mark it "refused" and redeposit it in the mail. It is then returned to the sender at the sender's expense and after they have a sufficient number of these returned, they usually get the message.

Anytime anything like this comes up, Jack, even though it is not within our jurisdiction, please give us a call and refer it to us. We will see that it is placed in the proper hands and everything possible done to stop it. Hope things are going well for you, Von and the family. You are a great friend and we want you to know how much we appreciate your friendship.

With kind personal regards,

Sincerely,

JOHN F. MALONE  
Assistant Director in Charge

On January 19, 1972, Source 2 advised that a search of available records at the Mayflower Hotel, Washington, D.C., had determined that there was no information of WAM function having been held there on December 5, 1971. On January 20, 1972, Source 3 advised that a check of the records of the Catering Office of the Mayflower Hotel, Washington, D.C., failed to reflect any information concerning a conference being held by the WAM on December 4, 1971 or December 5, 1971. Source 3 advised that the possibility existed that the meeting was held in a suite and the occupant used the room service rather than having the gathering catered to.

On January 3, 1972, Source 4 advised that Schuyler Ferris has never been Grand Dragon of the United Klans of America (UKA) in Virginia. This source advised to the best of his knowledge, that Ferris has never been the Grand Dragon of any Ku Klux Klan (KKK) organization in the State of Virginia. This source advised that he has heard Ferris mentioned with regard to the white-hate type organizations, but that he has not heard of any activity on the part of Ferris in several years.

THE BLACK PLAGUE IS SWEEPING AMERICA'S URBAN CENTERS! COWARDLY WHITES FLEE TO SUBURBIA!

"HERE'S YOUR new neighbors — courtesy of the Federal Government."

The Federal Government of the United States because of its total inner corruption and subservience to the demands of highly organized Jewish and Negro minorities CONSTITUTES A FAR DEADLIER MENACE TO THE SURVIVAL OF WESTERN CIVILIZATION IN BOTH NORTH AMERICA AND EUROPE THAN DOES THE COMBINED FORCES OF RED CHINA AND THE SOVIET UNION! Dumping millions of illiterate Black savages into the American educational system in 1954 has led to a lowering of American mental and ethical standards to a primitive jungle level. Now the Kosher Liberal gang is seeking to build racially integrated housing developments in ALL-WHITE neighborhoods with a resulting increase in robbery, rape, narcotics addiction, and fear of going on the streets after dark on the part of honest White taxpayers. The Jews, however, scream bloody murder when their most pliable tool, JOHN V. LINDSAY, attempts to dump a load of Black welfare cases into a new project in the NEW JERUSALEM of FOREST HILLS! If White Gentiles complain they are called "bigots" or "hatemongers." ONLY JEWS ARE PERMITTED TO OBJECT! -- WHITE PEOPLE - WAKE UP AND PROTECT YOUR OWN INTERESTS!
